

The Library Company of Burlington

has all the books you need this summer whether you are reading for fun or need to complete Summer Reading Assignments.

We have **HUNDREDS** of the newest chapter books, graphic novels, manga, teen books and adult titles, including many of the books suggested by your teachers and required for Honors/AP assignments. And if we don't have the title you're looking for, we can order it from another branch and have it delivered here for free.

The Library is open to the public so it is very convenient to stop in and pick up a few good books. For those that prefer curbside pick-up, call the library at 609-386-1273 to order books and schedule a pickup date. It's that easy!

Need to access your summer assignments? The Library has 6 public computers, free WiFi and low-cost print services.

We hope to see you at the Library Company this summer!
