

Say goodbye to overdue fines!

The Burlington County Library System has eliminated overdue fines on most items! Starting on **July 1**, your account will no longer accrue overdue fines.*

Bring back your overdue items and we'll *clear your account!*

Items still need to be returned in a timely manner or your account will be locked to prevent further checkouts and you will not be able to download items on Libby or Overdrive until the overdue fines are paid or the items are returned.
