WILDWOOD

Wildwood is proud to unveil Italia, a collection of one-of-a-kind lamps, sconces, and pendants each meticulously handmade in Italy. This exclusive collection celebrates Italy's rich artistic heritage, where time-honored craftsmanship and tradition come together to create enduring works of art.

Paying homage to Italy's legacy of artisanal excellence, the Italia collection features pieces crafted using traditional ceramic and glass-blowing techniques passed down through generations. Each ceramic piece is hand-thrown on a wheel, while the glass is mouth-blown and hand-shaped, ensuring that every creation is truly unique. The collection is distinguished by its rich, sophisticated color palette characteristic of Italian design - deep blues, warm amber hues, luminous golds, and vibrant jewel tones.

With a deep-rooted connection to Italy, Wildwood has collaborated with Italian artisans for over 40 years, working with family-owned factories, many of which span multiple generations. As a third-generation partnership between Wildwood and artisans in these workshops steeped with history, this collection embodies a remarkable synergy.
