PharmLabs hereby states that its Certificates of Analysis (COAs) do not certify compliance with any federal, state, or local law or regulation, including but not limited to the 2019 Form BEI. This COA is provided solely for informational purposes and is not intended for reliance by consumers or purchasers of a product. The report shall not be reproduced, except in full, without the prior written approval of PharmLabs. This report is not intended to diagnose, treat, cure, or prevent any disease. Results apply only to the specific sample(s) and batch(es) identified on this COA and do not represent any other lot, batch, or product from the claim. Mass/amount of uncertainty is available upon request and, when legally required, has been reported on the certificate. PharmLabs makes no representation or warranty, express or implied, regarding the tested product's safety, efficacy, quality, reproducibility, or fitness for a particular purpose. PharmLabs expressly disclaims any liability for damages, claims, costs, or expenses arising out of the use, misuse, or reliance upon this COA by any party, including, but not limited to, the manufacturer, distributor, or retailer. The client is responsible for determining the quality and safety of the product and for ensuring compliance with all applicable federal, state, and local laws and regulations. The COA may not be used in whole or in part for marketing, advertising, promotional, or labeling purposes without the prior written consent of PharmLabs. This COA is valid only as of the date of issuance and does not guarantee the stability or continued conformity of the tested product beyond that date. Any dispute arising out of or related to this COA shall be governed by the laws of the State of California, without regard to its conflict of laws provisions.
