ABOUT ME

PROJECTS

EXPERIENCE

ABOUT ME

ABOUT ME

UAE based architect with over 10 years of experience in delivering successful architectural projects, bringing a unique blend of design expertise, project management skills, and team leadership abilities, with a strong track record of leading cross-discipline teams and executing projects from conceptualization to construction.

ABOUT ME

Most recent experience was highlighted by spearheading the design of a sports city complex, which was among the finalists for its innovative and original design.

My skills include Design, BIM, Visualization, Supervision, Team Leading, Problem solving, Technical Details and Project Management.

Skills

Leadership

Lead Teams and create management plans for time schedules and resources allocations, followed by executing the plans and Performing QA/QC.

BIM

Lead a team to create a BIM model LOD 400, Perform Clash Detection, and Coordinating different disciplines

Design

Create Concept Design, Develop Concept Presentation and Detailed Development with all necessary coordination.

Management

Planning, Execution, Supervision and Coordination of all technical aspects of design and construction.

CGI

Generate 3D renderings, stills and animations of different styles adhering to the project art direction using 3dsmax. Rhino, V-ray and Lumion.

You can use an eraser on the drafting table or a
sledge hammer on the construction site

— Frank Llyod Wright

Soft Skills

Leadership

Act as a servant leader to every personnel of the team, and commit to remove obstacles

Problem solving

Critical thinking and exploring new technologies and ideas on a daily basis to solve any arising complex problems

Adaptability, Creativity and Attention to detail

Push the boundaries and drive the team to think outside of the box by generating 10+ ideas before committing to one and challenging every aspect of constructability

Time Management

Priority and efficiency are key to meet deadlines

Communication and Collaboration

Implement a free flow of communication between team members, and enforce transparency and honesty within the team

Education

2014 | 2017
