

## Nathaniel Hutchinson

### WRITER, DIRECTOR, PRODUCER

Born in Albuquerque, New Mexico, I moved to Arizona to attend ASU pursuing a double major in Film and Philosophy, while also competing in men's gymnastics. I have always been fond of writing and have worked on many short and professional sets since attending university. I am looking to continue building my knowledge of filmmaking and seek any opportunity to grow and learn.

### EXPERIENCE

#### DIRECTOR; *THE WEIGHT* (2024) FMP 300, SPRING 2024

My first ever short film, I wanted to make sure to incorporate both of my areas of study, *The Weight* is a take on a dream sequence depicting Albert Camus' *The Myth of Sisyphus*. I wrote, directed, produced, and edited this project. Encountering many production issues, I am proud to have made this project with my cast and crew.

#### ASSISTANT CAMERA, *HUGS* (2021), *WE WERE* (2022) FMP 201, FMP 300

During my first semester pursuing a film degree, I was able to help produce and assist camera on my friends project *Hugs* (2021). A year later I was able to help as 2nd assistant camera for his FMP 300 project titled *We Were* (2022).

#### VIDEOGRAPHER ARIZONA STATE MEN'S GYMNASTICS 2023-24

My final year competing in gymnastics I was able to help film and edit various promotional material for my gymnastics team. Even though I was injured for my final nationals, I was still brought to the national competition in Oklahoma to help video the team's national performance.
