

# NEWS BREAK

*We are a 5-Star Facility!*

## Staying in touch during COVID-19

As we march into 2021 still in the throes of the pandemic, staying in touch is never more critical.

Our residents are fortunate to have supportive family members. They often receive cards, letters, and phone calls. Video calls are available! Email Robin, Activity Director, for more information at [robinh@livingmeadows.com](mailto:robinh@livingmeadows.com).

Check us out through the photos posted on our Living Meadows Facebook page. 'Like' the page to keep up with notifications as they happen.

The monthly newsletter and activities are also available on the website at [www.livingmeadows.com](http://www.livingmeadows.com). Click on the 'Activities' button.

Gail, Norma, and Marilyn were each able to buy a few items at the auction.

## Teamwork Success!

Living Meadows at Luther-Madelia received a 5-Star quality rating by the Centers for Medicare & Medicaid Services.

## SOLD!

Another Live Auction in the books! Residents were saving their prize money for weeks in eager anticipation.

This was a huge team effort—kudos to the entire Living Meadows team!

Top sellers included: wooden plant stand, rod iron plant stand, and Easter decorations.

## Welcome Baby Ribbon Finch

Living Meadows residents and staff were very excited to see a new addition to the aviary. The parents kept this little guy under wraps until he was ready to face the aviary wild on his own. He can fly, eats and drinks from the communal bowls. We are looking forward to watching this little guy grow!

### Crazy About Cooking

Food activities are extremely popular among the Living Meadows’ residents. We have 8 different activities planned for March! We loved the idea of hosting a party with Aimee Larson, a Pampered Chef consultant.

The party is still open, but we wanted to say “Thank You!!” to those who have already donated so many items off our ‘Wish List’. You are the BEST!
