COMMODORE'S REPORT

Barry Scott

doneddeal1952@gmail.com

I hope everyone had a great 4th of July. The fireworks in Middle River were spectacular as usual. Thank you, Marine Trades Association of Baltimore County. It seems that we are getting back to some normalcy around the Bay. Pat and I just started our weeks cruise and have seen some friendly faces at our first stop in Tolchester. Some good friends from Bush River Yacht Club, Middle River Yacht Club and Eastern. We spent 2 days at Tolchester, and our next stop was Haven Harbor in Rock Hall. We partied and had great fun with Eastern Yacht Club. From here we headed to Sassafras Harbor and had a wonderful 3 days there. All in all, the weather was beautiful, and a good time was had by all. Thank you, Fleet Captain, Keith Lessner and Fleetress Sam Lessner of BYC for a wonderful trip.

Now for some YCM business. Our Golf Outing Committee met last week, and we are moving forward with YCM's 16th Annual Golf at Rocky Point on October 12th. Rocky Point and their staff will be taking all necessary steps and precautions to keep everyone socially distanced during the day. R/C George Stromberg will be sending Golf Flyers and information for Hole Sponsors. Please join us for a fun filled day of golf, fun food, and prizes. Start getting your Club Foursome together for a chance to win the coveted YCM Golf Trophy.

As you plan your year and events, please get your Event Flyers to V/C Mike Gaff for distribution. It's more important now to let everyone know what you are doing and when. As the Covid-19 Restrictions are lifted, let's all support our Sister Clubs as much as possible.

In closing, I hope everyone continues to have a Great Summer and we look forward to seeing you all real soon. We have and will continue to have challenges throughout the coming year, but we are a strong group and things will get better with time.

Just Remember... A Smooth Sea Never Made A Skilled Sailor!!

See you around the Bay!!!!

I hope everyone is staying safe and practicing social distancing. It is very disheartening to hear several states having upticks in COVID cases and needing to re-close some businesses.

In order to practice safe protocols and hopefully keep everyone healthy, we have decided that the July General Membership meeting will be another Zoom Meeting. September's General Membership and Change of Watch will still take place at Red Eye Yacht Club with PC Jerry's Famous Steaks for dinner. More details for September's Meeting will be forthcoming.

The Zoom information for this month's meeting is as follows:

Greetings to all in our Yacht Club Community. Wow! What a roller coaster ride this year has been for The 2020 Officers and Boards of our Member Clubs. Events having to be planned and then planned again because of the changing rules during the present Covid-19 Health Crisis. Members only Openings in order to keep up the sprits of their members and to also adhere to our beloved Yacht Club traditions.

Even the Queen of the Chesapeake Pageant was affected, and it took great planning on the part of the Queens Committee and input from the 2020 Commodores to make it happen. On a more personal note it was my honor to escort Past Queen Dulayne Sterling (my Princess) on her final walk at the Pageant. Congratulations to all who competed and to our new Queen Jessie Mackrell of Kent Island Yacht Club. All the princesses have represented their clubs with style and grace through the turbulent times this year. They are all winners!

It is time now to move forward with all the things that make our Member Clubs so successful. As the Clubs start to re-open for visitors, I urge everyone to visit and participate in some of their events. Time to get back to what makes boating and our yacht Club Community so enjoyable to all. Speaking of events let's not forget our Annual YCM Golf Tournament on October 12th at Rocky Point Golf Course. This is our biggest fund raiser and helps to defer expenses that we incur while supporting all of our YCM Member Clubs. I would ask you at this time to please consider supporting us by sponsoring a hole for the tournament. And also signing up to play in it. I will be sending out plenty of information on this so please help us to help you.

Enjoy the rest of your Summer be it on your boat or in your Club. Our beloved Chesapeake Bay is there for all of us.

Maryland delays foam ban after coronavirus upends food industry

Restaurants, grocery stores and other food vendors in Maryland are getting three more months to comply with a statewide ban on foam containers. Lawmakers [approved](#) the prohibition last year. It was set to take effect July 1, but the Department of the Environment has postponed its enforcement until Oct. 1. The delay is needed because establishments didn't use up their foam inventories during the coronavirus lockdown, Secretary Ben Grumbles said. "This is solely about finding a modest accommodation for those in need in the midst of an unprecedented crisis, while upholding an important new environmental law that could become a model for many other states," Grumbles said. The law bars the use of cups, plates, trays, and take-out containers made from a type of single-use foam technically known as polystyrene. The measure's ban on its sale remains in effect beginning July 1, according to an MDE [public notice](#). The law [authorizes](#) counties to enforce the ban. Violators can be fined up to \$250 per infraction. Some local governments in the state have enacted their own foam bans, including the city of Baltimore, whose regulation went into effect last October.

Thank You

The Fleet Captain (F/C) has a big role this time of year. When on an official club cruise, the F/C should lead the fleet and have a large club burgee conspicuously displayed somewhere on his/her boat in addition to the regular club burgee at the bow or mast.

The F/C is normally the first to get underway and last to dock, unless circumstances require the F/C to be ashore to work with the marina, help dock boats, etc. The F/C is responsible for planning and details of the cruise, the cruise supplies, boat reservations and marina coordination, and most or all the decisions during the cruise. While on a cruise, all boat captains should work through the F/C and not directly with the marina or club being visited. Captains should also keep the F/C informed of their activities and those of their guests. Good communication is the key to a successful and safe cruise.

Other than the F/C being in front, there is no traditional order for the boats. After all, a cruise is about fun and informality. However, an experienced captain, often called the "Rear Fleet Captain (RF/C)", who is prepared to assist, stay with a vessel having problems, or tow as needed should always be in the rear. Upon arrival in port, the Commodore usually is allowed to dock first, or, if not near the front of the line, whenever his/her boat arrives.

Boats can string out over many miles as the faster boats run ahead of the slower boats. Trawlers and Sailboats usually leave early with an agreed upon rendezvous time and place to rejoin the fleet. Another good idea is to break the fleet into groups that run comfortably together at a certain speed. For example, your cruise might have an advanced docking fleet (very fast boats & early departing fast boats), fast fleet (22 kts), medium fleet (17 kts), slow fleet (14 Kts), & Slow Trawler/Sail fleet

The F/C should have an agenda for in port activities so folks know what's up and when and where to be. Avoid over planning. People like to do different things so there should be plenty of do your own thing time in the agenda.

The use of VHF Channel 68 is a custom widely observed among the clubs of the Chesapeake Bay. Many people in the area call it the "yacht club channel". Use of a common channel comes in handy by increasing awareness of what is going on among friends and fellow yacht clubs. The F/C will usually choose this channel for fleet communications. It is good practice to also monitor VHF Hailing Channels 9 and 16.

For back-up communications, club cruise boats should all have a list of cell phone contact numbers on board.

Finally, fly your burgees and flags. It is a nautical tradition that shows pride in your boat and club, helps people identify a boat and who is aboard, and lets other boaters know there is something going on that they may want to be a part of. More than a few friendships and new club memberships started with the question, "What do those flags on your boat mean?"

Till next time, see you around the Bay!

Thank You

Available now, **YCM Member Burgees and YCM Delegates Flags for only \$20.**
Please contact Joe Hellner at mi-ti-bear@comcast.net.

YCM Burgee: Can be flown by any member of a club that belongs to YCM. It is not to fly in place of the club burgee at the bow but may be flown on a portside hoist or attachment point or a separate rail mount flag post aft of the bow post.

YCM Delegates Flag: Can be flown by any Current Club Delegate to YCM. Flown as a club office on the Starboard side or on the port side under the club burgee for which the person is a delegate. As a current office, is flown above the P/C Flag and below any higher-ranking current club office.

What Yacht Clubs of Maryland provides for its member Clubs.

Below is a summary:

1. Legislative and Regulatory Representation: Because we are focused only on Maryland and rely on directly affected local volunteers, we are usually ahead of other organizations in knowing and acting on issues of concern to Maryland yacht clubs and their members. If you have been following our publications or getting meeting reports from your representatives, you know that the 2015 legislation session held no significant problems for clubs and boaters. Other years have been a different story. Recent efforts have included, YCM submitting written testimony in opposition to the Boating Fees Bill (HB 1307) and the Luxury Tax Bill (HB 1345), contacted legislators, and had YCM reps attend the hearings on behalf of the clubs. At one of the

hearings, with Cheryl Blakey and Joe Hellner (attending on behalf of YCM) noted committee members hitting points right off our written testimony. We worked collaboratively with CBYCA and kept them in the loop. We also investigated and then contacted officials and other organizations on the large gathering permit bill, which, once amended in response to feedback from the marine trades, YCM, and boating groups, had no effect on normal yacht club activities. Throughout the year, coordinated by our Legislative Director, volunteers looked into waterway and boating issues brought to us by our members. We also dug to find useful Maryland boating and waterway information so our members wouldn't have to. In 2015, YCM P/C Joe Hellner was appointed by the DNR Secretary to the Maryland Boat Act Advisory Committee as a representative from the yacht club community.

2. Support of Maryland yacht club interaction, communication, and promotion of activities of mutual interest.

- a. Hold the **Annual Fleet Captains Meeting** to allow these (usually new) officers to meet and discuss plans for the upcoming season, collect information about club activities, and collect and publish that information back to the Fleet Captains and member clubs. These folks form the foundation for our clubs futures and will be working with each other for the next four years. This is the venue that the Rear Commodore uses to introduce the Fleet Captains to the Ship's Log and passes out prior year information that will need to be updated.
- b. **Maintain the YCM web site**, which serves as the Maryland yacht club community bulletin board and is full of information and event news and links. By working with the webmaster, **all clubs are welcome to use** the website. The past three YCM Monthly Newsletters are always available by link from the website.
- c. **Publish a Monthly Newsletter** covering news of interest, protocol tips, and upcoming activities. By working with the Newsletter Editor, **this forum is open to all members**. The newsletter is emailed to member club representatives and commodores to pass on to members and a paper copy sent the club address. Those who would like to get the newsletter directly are welcome to contact the Editor.
- d. Meet Monthly with alternating Board and General Membership Meetings as a **"Local Community Association" to discuss and work on issues of interests to the members**. Each club designates a Representative and Alternate to attend the meetings and provide communication between their club, the YCM, and fellow member clubs around the Bay. These meetings are open to all and lively frank discussion is the norm.
- e. **Annual SHIP'S LOG**: Published each year at the start of boating season contains information provided by each member club intended to be useful to the average club member who wants to know more about other yacht clubs, what they have, and how to visit them. This publication also serves as the annual yearbook capturing people and events of our local yachting community. This is not an ad book as it is intended to and be an informational Service to the Member Clubs. Due to funding limits, printed copies given to each club are limited. The pdf file of SHIP's LOG is available to any member who would like to download the file for club or personal use.
- f. **Skunk Flag of the Bay Award**: Recognizes at least one, sometimes several, members of the yacht club community each year for getting out there and doing something with their boats or with their clubs, leading to outstanding humorous and amusing mishaps and adventures. The Awards are given by YCM's own Salty Sam the Sea Dog, who always notes that "Those who don't make mistakes must not be doing anything". Salty also serves as gossip columnist.
- g. Regular Email Notification: Each year the YCM Vice Commodore maintains an email distribution list to provide breaking news or information of immediate interest to the members. Examples include "All Hands" notices, flyers from member clubs, Opening and Ball schedules and updates, Sick and Welfare Notices, and Funeral Information. Chances are your officers or club first "heard about it" from us.
- h. Protocol Guidance: Each year, YCM receives and responds numerous questions about why and how we do things in the traditional ways followed by yacht clubs, especially the local practices that evolved in

Maryland over many generations. YCM appoints a qualified volunteer called "Captain Protocol" to do the research, be the keeper of the knowledge, and find ways to help the member clubs. Often questions become the genesis for regular articles in the newsletter. Recently, "Captain Protocol" provided Pleasant YC with the details of conducting an Opening Day Ceremony as practiced by Maryland clubs around the Northern Chesapeake Bay and distributed a one page guide to placement of buttons, pins, and nameplates on yacht club uniforms.

3. Organize and Lead the Annual Yacht Club Golf Tournament to get together in a different type of activity that is popular among many club members in addition to their boating hobby. This event is darn hard to do so great credit goes to the Chairpersons and army of volunteers who create this special opportunity for the golfers and would be golfers in our clubs.

4. Organize and Lead the Annual Christmas and Holiday Party open to members and friends of all Maryland Clubs. This event is held at Laurel Park as a unique event, different from regular club activities, which celebrates Maryland's proud heritage of Thoroughbred Horse Racing while providing a centrally located venue where a large number of folks from all the clubs together can gather to celebrate the holiday season.

5. General Support of Member Clubs:

a. Our goal is be there when Clubs are stuck on something. One area that has been well received has been our pursuit and stocking of hard to find silver buttons for club Past Commodores, especially since local tailors and online companies willing to carry these items are few. We were able to find the company that makes buttons, which provides us with wholesale bulk orders of all the types. We also keep a stock of silver hat braids and hat buttons.

b. **Harnessing the power of many:** YCM is the place to come if a member club has an idea or a problem that can be acted upon by finding and pulling together people of like mind and who have the passion and interest to pursue it.

Not bad for only a \$60.00 annual membership fee and a group of volunteers trying to help their fellow Maryland yacht club friends

YCM Nominations

To All Interested Parties:

RE: Letter of Intent to serve on Bridge/Board of YCM for 2020/2021

In accordance with YCM By-Laws, all individuals interested in holding an office in YCM, must submit a “Letter of Intent” to the Nominating Committee by May 31, 2020.

The letter should list your intentions, qualifications, and what office you would like to be considered for, including the Nominating Committee.

The prerequisite for holding any office in YCM is that you are a Past Commodore.

Serving as a YCM Bridge or Board Member allows you to assist the entire Yacht Club community as well as your home Club. Please consider serving.

Please send or email your letter of intent to serve, to Committee Chairman, IPC Wayne A. Penczek via email at wayapen@comcast.net, or USPS at 4809 Forge Acre Drive, Perry Hall, Maryland 21128. If you have any questions, you can contact me at (410) 808-5209.

Thank you for your kind and prompt attention to this matter. The committee looks forward to receiving your correspondence.

The YCM positions are listed in the attached page.

Sincerely,

Wayne A. Penczek
