## Commodore's Report

Although boating is on pause for the next few months, the yacht club community is full of activities to keep you and yours occupied in effort to ease the winter doldrums. Now that we are past the holidays, Commodore's Ball Season is back in full swing, with most weekends loaded with ceremonies and awkward dancing until late March. Speaking of late March, please consider attending the YCM Commodores Day Out, which is a fancy name for the YCM Ball. It will be held at Crescent Yacht Club on March 29th, from 1pm-5pm. All are welcome and encouraged to attend. This is the last event of its kind until the fall, so be there or be square. It would put a smile on our faces if you joined us this year.

In support of The Special Olympics of Maryland, my oldest daughter Lilly, a Junior Princess at Crescent Yacht Club, has joined forces with Queen Lea to raise funds via a PLUNGE into the mighty Chesapeake Bay. Their plunge date/time is January 31st @ 11am. This event takes place at Sandy Point State Park at the base of the Chesapeake Bay Bridge. If you search Lilly Spicknall or Queen Lea's Arctic Adventure Squad on the SOMD.org website, you will be offered a link to donate to either of these amazing young ladies' goals. Thanks in advance for your support of this amazing cause!! Obviously, I will be in attendance and welcome everyone to join me at Sandy Point.

I was unable to attend the CCC's Weekend this year (It truly hurt to not be in attendance). I can see by the droves of photos and videos posted that it was an amazing time. Thanks to CBYCA and Veterans Yacht Club for joining forces with YCM to host a hospitality room. This is the first time all 3 organizations have ventured on something like this. Solid feeling it will not be the last. A tip of the cap to all those that manned the room and shared our collective message.

The YCM Summer Cruise 2026 is filling up nicely. Be sure to RSVP to North Point Marina ASAP. I am heading over to Rock Hall a day early, on Thursday, July 23rd. If any of you are interested in logging another day at the pool and possibly venturing into town for some shenanigans and camaraderie, please reach out to me.

YCM greatly appreciates the opportunity to be the communication piece of our member clubs. Be sure to send all event flyers to V/C Tony, as he is the keeper of the Bay Breeze this year and wants nothing more than for your club to succeed.

Please get your officers RSVP'd for the Fleet Captain's Luncheon. Lots of great intel and info to be shared. R/C Andy and P/C Janet Yodris are your points of contact for that February 1st event. REMINDER: This is open to everyone in the yacht club community. Whether you are a new officer, an old officer, spouse, significant other, interested in testing the waters, or just plain old curious to see what being an officer is all about, this is THE spot to gather what you are looking for.

PLEASE do not hesitate to reach out to us with any comments, suggestions, ideas, or concerns you may have. YCM is here to help.

Until next time.....

## **Vice Commodore's Report**

Greetings Yacht Club family. On behalf of the entire DiCara family, we would like to wish you a happy, healthy, and prosperous New Year. Our first Bay Breeze of the New Year is packed with exciting events. Our yacht club community has something planned for all interests so make sure you check out all the information in this publication. Also, please continue to share your Club's activities with us on our dedicated YCM Facebook Page. This is the best way for us to keep in touch and advertise our events in real time.

All Yacht Club members are invited to our first YCM meeting of the year on January 28<sup>th</sup>. See the flier for details. Please RSVP to me by 1/25/26 if you will be joining us for dinner. Shortly thereafter (February 1<sup>st</sup>) we will have our annual Fleet Captain's Luncheon. This is the essential event for planning our fun for the year as a community. Don't miss out! Finally, the details are being finalized for our YCM summer cruise to Northpoint Marina July 24-26. Keep an eye out for more details. See you soon!

Yours in service,  
V/C Tony DiCara

# New Year Kicks Off with Exciting Events and Important Reminders for YCM Members

## A Recap of Recent Highlights and a Look Ahead at Upcoming Activities

Hope everyone has a great new year. As we step into another exciting year with our Yacht Club Community, here are just a few important reminders and reflections for all members.

### [\*\*Celebrating Success at the 3Cs Event\*\*](#)

First, I hope everyone had a wonderful time at the 3Cs event in Ocean City this year. Special thanks to Mark Maust for his incredible efforts in organizing this memorable gathering, the rooms and costumes were truly some of the best we have ever seen. Congratulations are also in order for Commodore Paul and First Lady Dolan; may you have a fantastic year ahead. If you haven't already, be sure to check out the hilarious video "The Running of the Sharks 3Cs," posted by Patric Lange on the YCM Facebook page.

### [\*\*Upcoming Fleet Captains Meeting\*\*](#)

The Fleet Captains meeting is just around the corner, scheduled for February 1st at 12:00 PM. This year's meeting will be held at Crescent Yacht Club, located at 1840 Cape May Road, 21221. Lunch will be served, with the menu to be announced soon. The gathering presents a great opportunity to meet all the new Fleet Captains, exchange valuable information, confirm land cruises, and share your club's upcoming events for the year. We hope to see everyone there.

### [\*\*Ball Season and Summer Cruise Registration\*\*](#)

We are currently in the middle of ball season. Members are reminded to RSVP for any balls they plan to attend as soon as possible to assist organizers with their preparations. Additionally, don't forget to register for your slip at our summer cruise to secure your spot and avoid last-minute hassles.

### [\*\*Annual Golf Tournament Returns\*\*](#)

Lastly, we are excited to announce that our annual golf tournament will once again be held at Sparrows Point Country Club. Stay tuned for more details and registration information as the event approaches.

With a calendar full of engaging activities and opportunities for connection, we look forward to another year of camaraderie and fun this year. Wishing everyone a fantastic start to the new year!

## Legislative Affairs Officer Report

### 2026 Session of the Maryland General Assembly

We've looked at the proposed bills introduced in the 2026 session of the Maryland General Assembly. As of January 18, 2026, there are 332 bills introduced in the House of Delegates and 273 introduced in the Senate. These are the bills that may be of some interest for YCM members:

- HB0097 (SB0135) – This proposal would designate the Megalodon as the State Shark. I doubt that any boaters will encounter any of these critters.
- SB0021 would make the holder of a Maryland Golden Age Pass entitled to free day-use entry at certain State parks and let the holder of the pass to launch a boat at any State park without paying a boat launch fee; alter the days of the week on which the holder of a Maryland Golden Age Pass may camp overnight in a State park at a discounted fee; establishing that the free day-use entry applies to everyone in the vehicle with the holder of a Maryland Golden Age Pass under certain circumstances.
- SB0066 would increase the maximum periods of imprisonment for an individual convicted of manslaughter by vehicle or vessel.
- SB0145 (HB0174) requires an individual who is the sole owner of a marine vessel or multiple individuals who jointly co-own a marine vessel to apply to the Department of Natural Resources to designate a beneficiary to take ownership of the marine vessel on the death of the owner or each co-owner.
- SB0214 (HB0244) requires an individual who is the sole owner of a certain vessel to apply to the Department of Natural Resources to designate a beneficiary to take ownership of the vessel on the death of the owner; requiring a designated beneficiary who survives the owner of a vessel to apply to the Department for a new certificate of title for the vessel; and requiring an application for a certificate of title for a vessel to contain certain information. This one seems to duplicate SB0145.

I don't see anything controversial in these bills, unless you think the state shark should be something other than the Megalodon. We'll keep tracking the legislation.

### **Conowingo Dam Settlement**

Of concern for years to those who cherish the Chesapeake Bay is the debris contained by the Conowingo Dam. Constellation Energy has agreed to spend \$344 million in operational improvements and environmental projects at the dam. This includes tens of millions of dollars for shoreline stabilization, pollution reduction efforts, expanded trash and debris removal, fish and eel passage improvements, studies in dredge feasibility, creation of a fresh water mussel hatchery to improve water filtration, and invasive species management.

### **Days Cove Landfill Update**

Recently, the Maryland Board of Public Works approved a short-term extension of the landfill's lease on state park property until May 29. The lease extension allows the landfill to continue to operate while the Maryland Department of the Environment finishes reviewing a pending discharge permit application for the landfill.
