

## Message from the Commodore Elect

Hello Everyone,

By now most of you have heard that Yacht Clubs of Maryland has undergone a bit of a shakeup within its ranks, while we all hope it doesn't happen to "our club" the reality is it can and sometimes does.

Due to these unfortunate circumstances two of our officers have decided it would be best for them to resign. We are truly saddened that this has happened within our ranks. I would like to personally thank Tom and Ted and their family's for all the effort and hard work they have put forth to further enhance the YCM mission. I wish nothing but the best for them in any and all of their future endeavors within the yacht club community.

In order for YCM to continue our support of the yacht club community and according to our By Laws our Board of Governors assembled and filled all vacant positions in the interim until such time that the membership can affirm these selections at the next General Membership meeting.

Rest assured these unforeseen circumstances have not weakened our organization or our desire to continue supporting our member clubs in any way possible.

Best wishes,  
Commodore Elect  
Ryan Peters
