Commodore's Report

Jerry and I attended YCM's 5th Annual Summer Cruise at North Point Marina in Rock Hall. The weather was great---and the camaraderie was even better. And, if you weren't there---sorry but we had a good time without you. We had just shy of 30 boats at North Point Marina, a few at Rock Hall Landing and 1 RV at the campground nearby. And for those of us who don't have a boat, YCM had booked all 5 motel rooms. Marshall and Jaye Owings, the new owners, have updated the rooms and believe me, you would think you were staying at a Hilton. Marshall gives all the credit for the newly renovated rooms to wife Jaye---she did an excellent job. Check them out on their website. As usual we were treated to coffee and donuts at the pavilion both Saturday and Sunday and on Sunday, there was a food truck serving breakfast sandwiches. Our General Membership meeting was held on Saturday at 10:00AM. Afterwards many in attendance headed to the pool but others either went to town to cruise some shops, have lunch or went to the American Legion for Bingo. I heard there were a few winners in the crowd. Our "Pitch In Dinner" started at 5PM and we had a ton of really yummy food. I think we had about 15 of our member clubs represented in attendance. We also had a few members who came by boat or just drove down for dinner and some of the festivities. Many, many thanks to Vice Commodore Steve and Melissa for a great job putting this great event together.

It's hard to believe but ball season is right around the corner. So, if you have any information regarding your ball, please share that information with me so I can begin putting the schedule together. I would like to get it out as early as possible.

Vice Commodore's Report

Greetings yacht club family!! I hope this finds you all in good spirits and happy times.

As Commodore Kate stated in her article, the 5th Annual YCM Summer Cruise was excellent, filled with great friends enjoying each other's company. Thanks to all that attended and made it such a fun event. We are booked for next year – July 24-26. Hope to see you there!!

PLEASE NOTE: YCM GMM/Change of Watch will be held at Eastern Yacht Club on September 24th – 6:15pm Dinner followed by 7:00pm Meeting. Food – Cheesesteak Subs, Chicken Cheesesteak Subs, Onion Rings, French Fries, and Dessert (Salad available for those with specific dietary needs). Cost will be \$22pp. With the rising and/or already risen cost of food, you must RSVP for this dinner. We are surely not in this to lose money by way of over-ordering food from the caterer. Please join us for a brief meeting and to see Commodore Kate off, while celebrating the incoming slate of Officers and Board Members. Any and all members of a YCM sister club are welcome at this, so bring your folks and see what YCM is all about.

Yacht club community wide support is needed at our golf outing this year. R/C Tony has an exciting, fun-filled day in store for attendees and are offering a lunch only option for those not wanting to play golf that day. The after party will be a blast as well. Be there or be square!!

Wishing you ALL a safe and happy Labor Day. For those interested, Melissa, the girls, Buster and I will be at North Point Marina in Rock Hall Friday-Sunday of Labor Day Weekend. Please feel free to join us for the weekend or simply pop over for a day visit. We will be easy to find at the pool, Harbor Shack, or on About Time II in Slip A-20. We decided not to join Crescent on their Labor Day Cruise to St. Michaels in order to get the girls geared for their return to school and also to enjoy some quality time doing absolutely nothing.....

Cheers!!

Rear Commodore's Report

Greetings Yacht Club Community.

Angie and I hope all of you are enjoying a fantastic summer. As usual, it's going by way too fast. The next few months will be full of activities with balls, land cruises, and changes of watch. The biggest activity of all will be YCM's annual golf outing taking place on October 13th. This year we will host the event at the beautiful Sparrows Point Country Club. This is a fantastic course with challenging holes and scenic water views. If golf isn't your thing, you are welcome to join us for a full buffet lunch. See the flyer for more details.

Don't forget to post your clubs' upcoming events on our Facebook page, "**Yacht Clubs of Maryland**". This page is a great way to share information among clubs. Looking forward to seeing all of you soon.

Yours in Service,

Tony DiCara, Rear Commodore

LAO REPORT

Here are some recent news items from Maryland's DNR:

Chesapeake Bay Grass Health

Underwater grass abundance in Maryland's portion of the Chesapeake Bay – a key indicator of water quality – fell from 38,188 acres in 2023 to 36,794 acres in 2024, according to data reviewed by the Maryland Department of Natural Resources. This acreage remains short of the state's 2025 restoration goal of 79,800 acres.

New APP of Interest

The Maryland Department of Natural Resources is introducing a new free mobile app – MD Outdoors – which will be the official app for the state's outdoor enthusiasts, hunters, and anglers. The MD Outdoors app **replaces the AccessDNR app, which will no longer be supported**. Users will need to remove the old app and [download an updated version from the DNR website](#).

Boating Homepage

The DNR website has a specific page for boating information. A lot of good information is available on this page at [Boating in Maryland Home](#)
