## Commodore's Report

Greetings Yacht Club Family!!!

May has arrived and the time of Opening Weekends is upon us. As I type this, my thoughts turn toward all the fun I've had thus far as commodore of this amazing organization. Thank you for your support!

The Yacht Clubs of Maryland Raffle Tickets are now available for purchase. They are \$5 each with a winner drawn every 50 tickets. Our belief is to not actively sell them at openings, but rest assured the officers and crew of YCM will have them on us, if you desire a shot at winning. Thanks, in advance, for financial support. We have very few methods of raising funds and these proceeds are truly spent back in ball tickets and retirement buttons.

PLEASE get signed up for the YCM Summer Cruise as soon as possible. Marshal and the staff at North Point Marina have tons of planning to do before issuing slip assignments for that. I hope to see you all there.....

**Yachting Term of the Month:** Eddy Water - A term used to describe a flat or extra calm water condition. I wish you all a run of Eddy Water on the bay and life in general.

Until next time.....

## **Vice Commodore's Report**

Greetings Yacht Club family. Please continue to share your Club's activities with us on our dedicated YCM Facebook Page. This is the best way for us to keep in touch and advertise our events in real time. This has been a great opening season so far in spite of mother nature's weekend tantrums. Please continue to support our member clubs throughout the remainder of the season.

Calling all Past Commodore's! Do you have what it takes to wear the crabs? Yacht Clubs of Maryland uses gold crabs for our rank insignia. In addition to looking cool it is a unique way to designate our RC, VC, and Commodore. And after all that you just might get the rare silver crabs! If you aren't ready for the crabs maybe you are interested in filling one of our other positions. Serving YCM and our member clubs has been a wonderful experience for Angie and I. If you are interested please send your letter of intent to IPC Kate at [kate.cramblett@verizon.net](mailto:kate.cramblett@verizon.net). If you have any questions feel free to ask any of our officers or PC's.

All Yacht Club members are invited to our next in-person general membership meeting to be held on May 27<sup>th</sup> at Crescent Yacht Club. Dinner will be served and there will be a cash bar. Join your fellow yacht club members and YCM's Bridge and Board for a fun and informative evening.

Yours in service,  
V/C Tony DiCara

## **Rear Commodore's Report**

We are already halfway through May, and it has been a busy and rewarding month. I've had the pleasure of attending several Openings at member clubs I had never visited before. Meeting the Officers of those clubs was truly a highlight. To all Officers: I encourage you to step outside your comfort zone and visit clubs you haven't been to—or perhaps haven't seen in a while. The connections you make are well worth the trip.

This season continues to remind us how much we rely on one another when it comes to our events. It brings me great joy to see how our sister clubs support each other with such camaraderie and goodwill. I could not imagine my own time as Commodore without the support of fellow clubs, and I am grateful to see that spirit continue today.

### **Looking Ahead: Summer Cruise in Rock Hall**

We are once again fast approaching the YCM Summer Cruise in Rock Hall, one of the true highlights of our year. It's always a wonderful opportunity to spend time with our sister yacht clubs, and I hope to see many of you there for another memorable weekend on the water. If you have not yet reserved your slip, please do so soon.

### **Annual Golf Tournament Returns**

We are excited to share that our annual golf tournament will once again be held at Sparrows Point Country Club. More details and registration information will be shared as the event approaches, so stay tuned.

I look forward to seeing everyone out on the water and at a few more Openings as we continue this great season together.

Warm regards,  
Andrew West

## ***ATTENTION ALL PC'S***

Time is growing short. The deadline for submitting **Letters of Intent**—both from those seeking to serve in a leadership role within the Yacht Clubs of Maryland (YCM) and from those wishing to continue their current service—is **Sunday, May 31, 2026**.

To be eligible to serve as an Officer of YCM, an individual must be a **Past Commodore**. If you are a PC—or will soon be an IPC—and feel called to contribute your experience and leadership as an Officer or as a member of our Board of Governors, we welcome your interest. Please note that only one individual from a member club in good standing may serve as an Officer at any given time, unless there are insufficient candidates to fill open positions. We are also seeking individuals interested in serving on the **Board of Governors**.

Additionally, in accordance with the YCM By-Laws, any member wishing to serve on the **Nominating Committee** must have attended at least **three of the last six General Membership meetings** prior to submitting their request.

Those interested in serving are asked to submit a Letter of Intent to me no later than **May 31, 2026**. This requirement applies to current Officers and Board of Governors members who wish to continue or advance in their roles.

Interviews will be conducted no later than the **third Sunday of June 2026**. The interview schedule and location will be posted and emailed to all candidates.

If you have any questions or would like to discuss the process further, please feel free to reach out. I am always happy to assist.
