## Commodore's Report

Greetings Everyone!!

I hope this month's Bay Breeze finds you in great spirits and warm surroundings. We have just completed our 2nd round of "false spring" which means that in less than 30 days our temps should be regulated at an increased number.....AKA, it'll be warmer!! Please take some time to visit your club, or even a sister club, and spend some of the money you have stockpiled over the winter.

SHAMELESS PLUG TIME - The YCM Commodores Day Out is the last Commodore's Ball of the season. It is open to everyone. It's being held at Crescent Yacht Club, so there is plenty of room. There is a short ceremony, leaving more time for food, drink and friends. Please come celebrate my last time as commodore. March 29th. Flyer is somewhere down below this article. Cut-off for RSVP's is 3/20.

Yacht Club Phrase/Terms - **All Hands on Deck** - A call for everyone to get involved or help with a specific task. Use this when requesting volunteers for club events or work parties.

Having successfully hit the halfway point of my tenure as Commodore of YCM, allow me to thank each and every one of you for your support.

Until next month.....

## Vice Commodore's Report

Greetings Yacht Club family. Our yacht club community has something planned for all interests so make sure you check out all the information in this publication. Also, please continue to share your Club's activities with us on our dedicated YCM Facebook Page. This is the best way for us to keep in touch and advertise our events in real time.

This year's **Opening Schedule** is out and you can find it here. Special thanks to IPC Kate Cramblett for compiling the schedule and maintaining communication with the clubs. Please update Kate ([kate.cramblett@verizon.net](mailto:kate.cramblett@verizon.net)) with any changes you may have. Our clubs put a lot of effort and expense into opening festivities and they want to see YOU there. There is no better way to kick off the boating season.

All Yacht Club members are invited to our first in-person YCM meeting of the year on March 25<sup>th</sup> at Bodkin YC. See below for details. Get your slip today for our YCM summer cruise to Northpoint Marina in Rock Hall July 24-26. Slips are going fast! You won't want to miss this fantastic weekend. Additional details below.

Yours in service,  
V/C Tony DiCara

## **Rear Commodore's Report**

Hard to believe we've already turned the calendar to March. Before long, it will be spring commissioning time, and many of us will be preparing our boats for the season ahead. As you get ready, please remember to check your safety equipment so you're fully prepared for a great—and safe—year on the water.

### Ball Season Nearing Its Finale

Ball season is quickly coming to a close, with only two events remaining. Our final celebration will be the YCM Commodores Day Out on March 29th. It has been a pleasure seeing so many of you throughout the season, and I appreciate the spirit and camaraderie you bring to every event.

### Looking Ahead: Summer Cruise in Rock Hall

I'm also looking forward to the YCM Summer Cruise in Rock Hall, one of the highlights of our year. It's always a wonderful opportunity to spend time with our sister yacht clubs, and I hope to see many of you there for another memorable weekend on the water.

### Annual Golf Tournament Returns

We are excited to announce that our annual golf tournament will once again be held at Sparrows Point Country Club. More details and registration information will be shared as the event approaches, so stay tuned.

With summer fast approaching, I look forward to seeing everyone out on the water and enjoying another fantastic season together.

Warm regards,

Andrew West

## Legislative Affairs Officer Report

### 2026 Session of the Maryland General Assembly

964 bills had been introduced in the Maryland Senate and 1,595 in the House. There are some duplicates, meaning the same bill was introduced in both the House and the Senate. There are no significant bills related to the boating community. We'll monitor the current legislative session and notify you if anything arises that requires our attention. There is one bill that may be of interest to our more senior boaters. That is SB0382, which gives credit towards state income tax for those who reach the age of 77. At that age you get a 25% credit, at the age of 78, you get a 50% credit, at age 79, the credit is 75% and at age 80, it's 100%. The credit applies to incomes under \$175,000 if filing individually and \$250,000 for joint filers.

Thanks,

Joe Broseker
