Commodore's Report

Hello All,

Now that May is finally here, most of winter has passed and warm sunshine filters through the new leaves on the trees, and I will say, it is nice to have more sunlight in the evenings.

On April 21st, we had Yacht Clubs of Maryland Commodores Day Out. I would like to thank Baltimore Yacht Club for hosting this event while going through major repairs. We officially said Thank You to Immediate Past Commodore Ryan Peters and First Soft Crab Debbie. I personally want to thank Ryan for rising to the challenge last year. Also, I am grateful for P/C Barry for MCing and leading us singing the National Anthem and everyone's contribution in making the Commodores Day Out a success.

As of this writing the yachting community has had six Openings. Although Mother Nature has not wanted to participate, bringing lots of wind and rain, it has not dampened the time-honored tradition, and I am looking forward to the future Openings and I would like to Thank and express my appreciation for all our distinguished Past Commodores for attending these events.

Great news to our golfers, The Preserve at the Eisenhower Golf course is happy to host our Annual Golf Outing on Monday October 14th. (Columbus Day) again this year. We are looking forward to having eighty players or more this year. Sponsors, we have had some great sponsorships in the past and look forward to their help and generosity again this year. I would be honored and would enjoy seeing each yacht club to be represented at this great event.

We are looking for a few good men and women to be an integral part of Yacht Clubs of Maryland. If there are any past Commodores or soon to be IPC, and would like to consider becoming an Officer or a Board Member in Yacht Clubs of Maryland, please send a Letter of Intent to our Nominating Committee Chairman Ryan Peters, rpeters.iar@gmail.com by May 31st. or call Ryan at 717-880-5889 if you have any questions.

Two reminders, YCM Summer Cruise at North Point Marina from Friday July 26th. to Sunday the 28th. Also, to our Commodores and Delegates, please try to attend our GMM Meeting on May 29th. at Bodkin Yacht Club at 6:30 pm for dinner 7: 00 meeting starts. Mr. Sam Weaver will be our guest speaker.

The basins and Yacht Clubs are filling up, Enjoy the Boating, Crabbing, & Fishing this season. Please be safe and we will see you around the Bay.

Thank You, Enjoy!

Vice Commodore's Report

Our next General Membership Meeting is Wednesday, May 29th at Bodkin Yacht Club. I encourage all Commodores and their YCM reps to attend this meeting as we will be voting on some by-law changes. Each of you has a voice in how YCM goes forward and I urge you to use it.

Opening Season is in full swing---now, if we could only get Mother Nature to cooperate and only rain Monday through Friday---would be nice.

I am happy to announce that YCM added a new member to our organization, **Classic Yacht Club of America**. The Classic Yacht Club of America was formed to encourage the preservation and restoration of classic watercraft to as near original condition as possible. Further, it was established to encourage rendezvous and other social gatherings, to collect information on classic watercraft and to act as a reference source. Commodore Tina Fishel and IPC Ben Fishel attended our Fleet Captains Meeting in February and immediately put in an application. We are excited to have them part of YCM.

I am a huge fan of tradition, and was happy to see that Crescent YC is also. At their opening, when you entered the clubhouse, you were greeted by their lovely Princess Emilie McNew and her grandfather Fred Cosgrove, who presented everyone with a Lavendar Cancer Pin. It was very welcoming, and I was told that this was a tradition they were happy to bring back.

If you haven't already done so, make your reservations for our Summer Cruise on July 26-28th at North Point Marina in Rock Hall, Maryland. You don't want to miss out on this fun-filled weekend.

The Queen of the Chesapeake Pageant will take place on Saturday, June 22nd at Maryland Yacht Club. Even if your Club doesn't have a Princess, please come out and support those that do.

Rear Commodore's Report

Greetings Yacht Club Family!

May is always an interesting and sometimes hectic month in the boating community, and life in general. Between Opening Weekends, boat maintenance, and projects at home, things can become quite chaotic. That being said, be sure to make time for your friends and family, both inside and outside of club life. Too much hard work and no play makes for a dull existence.

As we approach Memorial Day, let us remember the following: Originally called Decoration Day, from the early tradition of decorating graves with flowers, wreaths and flags, Memorial Day is a day of remembrance for those who have died in service to our country.

Let's take a moment to remember those that made the ultimate sacrifice for our freedom.

We will have a flyer out for the Annual YCM Golf Outing soon. Please mark October 14th on your calendar. Your support is the only way success can be obtained. Thanks in advance for putting the word out.

Melissa and I look forward to seeing you all on the water!

Legislative Affairs Officer's Report

May has arrived and we are busy readying our boats for summer cruising and preparing our club houses for Yacht Club Openings. So far, the Openings and respective Friday/Saturday night parties have been lots of fun despite the cooler, rainy weather that occurred on those weekends.

The Maryland General "Asylum" has concluded, and the norm has prevailed with little accomplished for industrious, law-abiding citizens. Unfortunately, the Key Bridge disaster may be the main reasons Annapolis did not follow their traditional practice of raising taxes and creating more government regulations on many now economically stressed citizens and small businesses. At least a few representatives stated Marylanders should be ready for a surge of taxes and regulations during the 2025 session! Are you going to question your representatives about this? For whom are you voting?

With that did you know, easily found on the net, Maryland is the seventh-most expensive state in the United States. Overall, prices are 24% higher than the national average, while housing prices are 66% higher. A typical single-family home in the state costs \$366,581. Only 57.16% of residents have incomes that would support owning a home. Additionally, a two-bedroom apartment rents for \$1,647 a month. When you see your representatives why not question them about their campaign promises and why they continue every session to keep you a victim of this high-cost state. I bet you will get an excellent "*song and dance*" act of rhetoric? For whom are you voting?

Additionally, we all know the ever-increasing crime, especially juvenile, is a big concern among honest citizens. Again, Annapolis paid only lip service to this problem due to the criminal lobby still being extraordinarily strong in Annapolis. Your representatives do not like the line "*do the crime you do the time*"! They desire to cuddle criminals with their "*we feel sorry for them*" attitude. "*Let us give the darlings a second, third, fourth, etc. chance!*" I believe they do need the criminal vote to keep their seat! Our representatives could care less about us being victims of crime. **FACT**, some honest Maryland citizens WILL be victims of crime again this year. Question your representatives about this when you see them. More rhetoric again! For whom are you voting?

With that above, at this writing, it is the morning after the election. There are now reports of a poor turnout at the polls. Apathy now seems to prevail in Maryland. One conservative radio host stated, "*now surrounded by liberals and a declining country, I now know how Custer felt.*" For whom are you voting?

Well, even just for the weekends, it is time to get back to great friends, our boats, and the sanctuary of our club houses. Remember, *TRUTH AND KNOWLEDGE will bring FREEDOM!*

See ya at the Openings!

Chaplain

Dear Gracious God,

May the freshness of spring renew our spirits, As the earth awakens with vibrant hues, let us embrace the new beginnings it brings, and cherish the beauty in each day anew.

In the gentle embrace of spring's warmth, we come before you with humble hearts, seeking the blossoming of hope within our souls. Just as the flowers emerge from the earth, let our spirit's rise with the optimism and renewed faith that this season brings. Grant us the wisdom to see the beauty in each new day, even in the face of life's challenges. As we stand in awe of your creation, may this season of renewal remind us that hope is the eternal spring that flows from your boundless love.

Thank you, Lord, for the hope that you bring, the renewal that you bring, both to this world and to our hearts and lives. Amen
