### Commodore's Report

Hello All,

Happy April! Here's to longer days, warmer temperatures, and no more wintery weather. I wish you all the best as we "Spring Forward" and adjust to the time change during the beginning of Spring and it is nice to have more daylight in the evenings.

Please keep the men who lost their lives and their families in your heart and prayers. The Francis Scott Key Bridge was a Maryland Landmark for 47 years (It is hard to believe it has been that long since it was built.) and the collapse of the Bridge has deeply impacted the Baltimore region, The State of Maryland, and this Country. The Loss of the Iconic Key Bridge resonates beyond the city it called Home.

Our Traditional Yacht Club Openings will start with Marley Boat Club at Red Eye Yacht Club on Saturday April 27<sup>th</sup>. Please check the Yacht Club Opening schedule on our website and Facebook page. But before the Openings start, we have one more Ball, **Yacht Clubs of Maryland Commodores Day Out Brunch** on Sunday, April 21<sup>st</sup> from 1pm – 5pm. Please join us in this time-honored tradition. Also please see the YCM Commodores Day Out Flyer posted on our Facebook page. The Uniform of the Day will be SALT & PEPPER, Black Uniform coat, White Slacks, (male & female) White Web Belt and White shoes. Hope to see you there.

If there are any past Commodores who would like to consider becoming an Officer in Yacht Clubs of Maryland, please send a Letter of Intent (LOI ) to our Nominating Committee Chairperson Ryan Peters at [rpeters.iar@gmail.com](mailto:rpeters.iar@gmail.com) by May 31<sup>st</sup>. 2024 .

I am looking forward to seeing everyone at the Openings, so come on out and support the Clubs and enjoy the festivities. It is a great tradition.

Thank You, Enjoy!

**Rick Pope**

### Vice Commodore's Report

A huge shout-out goes to North Point Yacht Club for the excellent meal they served at our March General Membership meeting. If you missed it, not only was the food great but so were our guest speakers. Donna Seymour Boating Safety Coordinator of the Maryland Natural Resources Police along with Cpl. Armes shared lots of valuable information regarding safety while we were out on the water. Our next GMM will be on May 29, 2024, at Bodkin Yacht Club. Our guest speaker will be Sam Weaver of Maryland Waterways Foundation. This will also be an important meeting as we will be voting on some By-Law changes. The changes will be distributed 30 days prior to that meeting.

There is an old saying that “time flies when you are having fun,” well, can you believe it, YCM’s **Commodore’s Day Out** is just a few days away and Marley Boat Club’s Opening takes place on Saturday, April 27<sup>th</sup> at Red Eye Yacht Club. The 2024 Opening Day Schedule has been distributed to all Commodores as well as being posted on our website and Facebook page. We plan to have the “hat cards” available at Marley’s Opening.

Jerry and I, along with PC George & CJ Stromberg, did meet with Lori Campbell, North Point Marina to discuss the Summer Cruise. Flyer for the Summer Cruise is attached. Do not hesitate to make your reservations. This is a great weekend, and you don’t want to miss it. I am also going to begin putting together the 2024—2025 Ball Schedule. So, if you already have your date, send it to me as it will be a big help.

Just a reminder, YCM is always looking for those individuals who would like to help keep YCM moving forward. If you have an interest, feel free to talk to one of our current and/or past officers. We will be glad to answer any questions you may have. Deadline for Letters of Intent is May 31, 2024 and should be directed to IPC Ryan Peters @ [rpeters.iar@gmail.com](mailto:rpeters.iar@gmail.com)

### **Rear Commodore's Report**

Well folks, Spring is finally here!! Now all that's needed is for Mother Nature to stop throwing rainy and windy temper-tantrums so we can get on with the boating season!

This is the LAST CALL for any changes to your Ship's Log entry for the year. Thanks to those of you that sent updated documents. Again, this tool is for your benefit, so please ensure we have the correct information to put in the book.

PLEASE mark your calendar for "Golfing with YCM" on October 14th. We are looking forward to seeing a record crowd this year. Big changes are coming as far as food and prizes, so keep an eye out for a flyer in the next month or so. Thank you in advance for your club's support of this fun day!

Wishing you calm winds and following seas.....

**Steve Spicknall**  
**Rear Commodore**

### Legislative Affairs Officer's Report

By the time you read this article the first "Port of Baltimore Safety Zone – Key Bridge Response 2024" One-Way ONLY transit opportunity for recreational vessels through the Safety Zone will be allowed to use a temporary channel. This will be around the wreck on Tuesday, April 16, 2024. Boats can only enter and leave during limited times. There is no information about when this will be scheduled again in the future.

The Patapsco River will briefly open to recreational boats giving mariners the chance to enter or leave the Port of Baltimore for the first time since the collapse of the Francis Scott Key Bridge. Lt. Cmdr. EvelynAnn Bruno, a spokeswoman for the Unified Command's Joint Information Center, advised that recreational vessels permitted and licensed by the U.S. Coast Guard can travel south from the north of the Key Bridge location via the Sollers Point Alternate Channel from Tuesday from 6:30 am to 7:30 am. The route will be reversed from the south of the site north from 6 p.m. to 7 p.m., Bruno said. The Unified Command or Captain of the Port may cancel these time periods at any time for safety reasons. The Mariners must monitor VHF Channel 16 while transiting the area.

"This measure is a temporary phase as we focus on our priority of restoring maritime transportation infrastructure and ultimately opening the Ft. McHenry Channel," Bruno advised "There will be escorts on site to ensure every sailor can pass through the chanal safely."

**All recreational vessels must follow the rules of the road, stay within the marked channel, and heed directions by on scene patrol vessels.**

# Yacht Clubs of Maryland

## Bay Breeze

Now the boating season has begun, remember SAFETY is the priority when aboard your boat both at the pier and out cruising. A few stats from last 2023 summer.

- There are over 171,000 boats registered on the Chesapeake Bay
- There were 123 boating accidents: 11 fatal, 43 injuries.
- Contributing Factors were Alcohol Use, Excessive Speed, Hazardous Waters, Operator Inexperience, No proper Lookout.
- Approximate property damage: just under \$2 million

Don't be a boating 2024 statistic!!

With the boating season looming, spring provides the opportunity to complete annual maintenance that may have been brushed off at winterization. This is the time to ensure things like oil and filter changes, gear case oil changes, fuel filter changes, greasing of pivot points, tightening of gimbal ring bolts, etc. are completed for the 2024 season if they have not been already. It is also the time to check and verify the condition of all other fluids like power steering, hydraulic steering, trim/tilt, and transmission fluid. Any milky or burnt fluids should be replaced and if milky, the leaking seal should be found and dealt with before the upcoming season.

### Protocol Matters

*By Joe Hellner*

We are about to start the 2024 Opening Season. A well-done Opening Ceremony shows pride in our clubs and our commitment to a safe and successful boating season. When attending a ceremony, **be quiet and respectful while in the ceremony area.** Listen to the speakers and support them as appropriate.

#### **Memorial for the Departed**

Opening Ceremonies include longstanding honored traditions and ceremonial protocols. Among these is the Memorial for the Departed. A typical memorial includes flowers, or a wreath cast upon the waters. Often, names of members and others special to the club who have departed since the last Opening will be read and a bell (if available) struck once for each name. The host club Commodore and first Lady/Gentleman carry the wreath down to the water. They may be accompanied by whomever the host club chooses. The club Chaplain is called to the podium to say words in honor of the departed and announce the names.

Guests and officers should stand and face the wreath, which represents and honors the departed, as it is walked down to the water. Once the Chaplain's remarks are complete, the wreath (or other suitable item) is tossed on the water. All should continue to face the wreath while TAPS (Amazing Grace may be played in lieu of TAPS) is played. A single shot gun salute is given at the conclusion of TAPS.

When TAPS or Amazing Grace starts, if you are attending in civilian attire, you will come to the position of attention, remove your hat (if worn) and place hand over heart. If no headdress is worn, you will place your right hand over your heart. All in uniform keep hats on and salute. Hands over heart and salutes are dropped after the cannon shot (or the end of the song if a salute cannon is not available).

Saluting the national flag is incorrect because the Memorial for the Departed is about paying respects and remembrance to a departed comrade, friend, or loved one. Just as you would have faced and saluted them in life, so you face and salute them in death.

At funeral formal ceremonies, you should also stand at attention with hand over heart (or salute if in uniform) when the casket is being moved, when TAPS or Amazing Grace are played, and when the casket is being lowered into the grave. As with the wreath for the departed ceremony, you always face the casket.

Till next month, see you around the Bay!

## Bay Breeze

### SICK & WELFARE

#### ***Crossed Over the Bar:***

**Carolyn (Carol Boehmer) Miller, Marley Boat Club,** crossed over the bar on March 14th. She was cremated. There was a Celebration of Life held at her brother, Dennis Blucher's residence on March 23<sup>rd</sup>. Expression of Sympathy can be sent to her husband Tom at 9173 W. Whooping Crane Path, Homosassa, FL 34448.

**Fred Harden, Troian Harbor YC,** passed away March 16th at the Future Care Nursing Facility. There were no immediate plans for a service following cremation. Cards of sympathy and caring can be sent to Fred's longtime companion Pat Myers at 7795 Peninsula Expressway, Apt 311, Dundalk, MD 21222.

#### ***Sick & Welfare:***

**1997 CCC P/C Bill Sisk, Ventnor YC,** was recently in Carroll Hospital Center where he was treated for lung issues. He will need to be on oxygen for the rest of his life and they will be working to regulate the amount he will need. Get well wishes and thinking of you cards can be sent to him at 4102 Sequoia Drive, Westminster, MD 21157.

**2000 CCC First Lady Dee Miles** fell earlier in March and fractured her pelvis. She was admitted to UM Upper Chesapeake Medical Center, where the following Sunday morning, she underwent emergency abdominal surgery. She is currently recovering at the Oak Crest Rehab Center. Get Well wishes can be sent to her home at 8820 Walther Blvd, Apt 3606, Parkville, MD 21234.

**2019 and 2023 Commodore Duane Diven, North Point YC** underwent shoulder surgery on March 20<sup>th</sup>, 2024 and is resting comfortably at home. Get Well wishes can be sent to 9120 Avenue C, Sparrows Point, Maryland 21219.

**CCC 2024 Secretary, Janet Yodris, Key YC and YCM Board Member** underwent knee replacement surgery yesterday, April 1, at St Joseph Hospital. It was done as outpatient surgery, and she is home resting and recuperating. Get Well Wishes can be sent to her at 8434 Cove Road, Baltimore, MD 21222.

**2023 IPC Ryan Peters YCM** underwent Rhinoplasty surgery on March 27<sup>th</sup>. Please send Get Well wishes to 124 Strassburg Circle, Shrewsbury, Pennsylvania 17361.

I am sure there are others in our yacht Club Community that are suffering.

Please keep our yacht club community in your prayers.

Should you hear of any of our members who are ill or have departed, please.

share this information with me at [cjstromberg1024@gmail.com](mailto:cjstromberg1024@gmail.com).

### MARINE SAFETY INFORMATION BULLETIN 036-24

March 26, 2024

#### Port of Baltimore Safety Zone – Francis Scott Key Bridge Marine Casualty

Effective immediately a safety zone is established for all navigable waters of the Chesapeake Bay within a 2000-yard radius of the Francis Scott Key Bridge. The 948-foot Singapore-flagged vessel DALI struck the Francis Scott Key Bridge on March 26, 2024.

The safety zone is intended to protect personnel, vessels, and the marine environment in these navigable waters. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative. The COTP is currently issuing a Broadcast Notice to Mariners (BNM) via VHF-FM marine channel 16. Mariners are requested to monitor the VHF channel 16 for the latest information.

You may not enter the safety zone described above unless authorized by the COTP or the COTP's designated representative. To seek permission to enter, contact the COTP or the COTP's representative by telephone at (410) 576-2525 or on Marine Band Radio VHF-FM channel 16 (156.8 MHz). Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative. The U.S. Coast Guard may be assisted in the patrol and enforcement of the safety zone by Federal, State, and local agencies.

If you have any questions regarding the contents of this bulletin, please contact the Command Center at (410) 576-2525, or via email at [d05-smb-sectormd-ncr-sec@uscg.mil](mailto:d05-smb-sectormd-ncr-sec@uscg.mil).
