Commodore's Report

Hello Everyone,

It has been quite a winter so far, as I sit to write this it's 60 degrees and sunny and I'm not even south of the Mason Dixon line let alone in Fla. like our snow birds.

Ball season is winding down and I would like say that the First Soft Crab Debi and I are having a wonderful time getting reacquainted with old friends we haven't seen in a while and also making new ones. It is such a shame Covid has affected our lives in so many ways, the cost to put on a post Covid ball is outrageous at best, I feel for everyone trying to produce the best ball possible while holding down the ticket prices. I'd like to send out a big thank you to all the "behind the scenes people" that have to stress over putting together one of these magnificent events.

Speaking of events our annual Fleet Captains meeting is behind us and I'd like to thank R/C Ricky Pope for putting together a great meeting, it was evident Ricky was focused on letting all the Fleet Captains be heard along with networking with their classmates. Thank you to all the attendees, you made the meeting a huge success. I'd like to give a shout out to Commodore Steve Spicknall and Crescent Yacht Club for hosting, your members worked tirelessly in the kitchen and at the bar, great service and a great venue, YCM sincerely thanks you!

Yacht Clubs of Maryland's "Commodores Day Out" is fast approaching, March 19th from 1pm to 5pm at Baltimore Yacht Club, this is a day where we ask for a little recognition for our organization from you the member clubs, this is a barometer of sorts that helps us judge how we are doing and being viewed from within our Yacht Club Community. Please come and show your support with an afternoon of good food and great Camaraderie.

As I mentioned at the Fleet Captains meeting it is imperative that the general membership at your club know who we are and the value we offer to our members. We would be honored to come to one of your GM meetings and introduce ourselves, please reach out to one of us anytime to make that happen.

Till next Time,

Commodore Ryan Peters

I invite any comments, feedback or suggestions, please email them to YCMwebmaster@gmail.com or use the contact section of our website.

Remember; "Yacht Clubs need the support of other Yacht Clubs"

THANK YOU FOR YOUR SUPPORT!

Vice Commodore's Report

Hello Everyone,

What a great time all had at the YCM Fleet Captains Orientation meeting at Crescent Yacht Club. A lot of great information was shared by all attending clubs and I'm sure some clubs will coordinate and support each other clubs events as the year goes on.

We will be posting the yacht club calendars and event flyers that were distributed at the Fleet Captains Meeting on the [YCM Facebook page](#). Remember you can reach our Facebook page also from our [YCM website](#).

As Commodore Ryan has stated, Ball season is winding down and only Marley Boat Club's Ball and the YCM Commodore's Day Out remain. **Please call Treasurer Faye Broseker at 717-227-1348 or 410-916-2803 to make your reservation for the Commodore's Day Out event at Baltimore Yacht Club on Sunday, March 19 at 1 pm. Please make reservations by March 13.** This has always been a great event.

If course, with Ball season winding down, it means Spring and Openings are not far behind.

To help us help your club, be sure to send notice of your events, including any flyers, to YCMwebmaster@gmail.com and we'll make sure we help publicize the events to our member clubs and posted on the YCM website/Facebook page.

The schedule for our General Membership meetings is set through September. These meetings are on the last Wednesday of the month in March, May and September. (The July meeting will occur as a fun event at our annual cruise.) The meetings start at 7:00 pm, preceded by dinner at 6 pm. The schedule is as follows:

- Wednesday, March 29 at Bush River Yacht Club **-Contact me at 410-456-3313 or jbroseker@att.net to make dinner reservations.**
- Wednesday, May 31 at Bodkin Yacht Club
- Wednesday, September 27 at Eastern Yacht Club

Faye and I look forward to seeing you at the openings and other events.

Joe Broseker, Vice Commodore

Rear Commodore's Report

Hi everyone,

It is the beginning of February already and 2023 is well underway. How many of you made new year resolutions and have been sticking to them? I must admit That I have not, but I am still striving for that goal. I hope everyone is doing well and staying warm during this cold month of February.

We still Have a few more Balls, and events to attend throughout February and March, and Yacht Club Openings will begin in April. YCM annual Fleet Captains meeting /Orientation took place on February 5th at Crescent Yacht Club. Crescent Yacht Club graciously hosted over 110 officers, members, and guests in celebrating this annual tradition. It was a wonderful afternoon filled with camaraderie, funny stories about how our fleet captains got started (Hooked, Line and sinker) and a lot of information was shared amongst the Yacht clubs. and I would like to thank everyone who attended the Fleet Captains meeting. I had a lot of fun, and I am looking forward to next year, and please let us know your thoughts or any suggestions that you may have to include for next year Fleet Captains Meeting.

I would like to thank my fellow Officers, Commodore Ryan Peters, V/C Joe Broseker, Treasurer Faye Broseker, Secretary & Chaplain Anna Davis, Board members, IPC George Stromberg, P/C Janet Yodris, I/P Soft Crab C.J Stromberg, P/C Karen Davis & Suenette Pope for their unwavering support & guidance. Finally, I would like to extend my heartfelt appreciation to P/C Dan Carroll for working with me for the past several months on our menu. Dan said do not worry, he would take of everything, Dan and his crew, Mary Novak, Joanne Welsh, & Kitty Sauer all from the Veterans Yacht Club came thru with the Italian Dinner & Desserts. Thank you everyone.

I had the pleasure of attending the Queen of The Chesapeake Program and Pageant meeting on Sunday February 12th. hosted at Maryland Yacht Club. There was a lot of participation, Questions, and valuable, and crucial information that was given out by the Queen of the Chesapeake Pageant Committee, Princesses, and Queen of The Chesapeake Michelle Studnicki. This year's theme" Under the Sea" & 76th Queen of the Chesapeake Pageant will be held on Saturday June 24th. 2023. Please support our Princesses by purchasing Pageant Program ads at <https://mdyc.org/event-5069626>.

Protocol Matters

By Joe Hellner

Ahoy There!! As we wait for the return of boating season, here are some miscellaneous pointers from the yacht club world you may find of interest.

Commodores Pointer: Your most important duty is be a bridge builder among the membership. A consensus resolution on a matter for the good of the club is always your objective, regardless of your personal position. Commodores are, in effect, the lowest ranking club member, because he or she is there to serve the club and all the members. As Chair you strive to ensure all discussion and issue resolution occurs in a respectful and professional manner. You strive to ensure all are heard and feel they had a chance to have their say. The Chair ensures people take turns, but, in most clubs, some free flow discussion and debate is tolerated.

Talking at Meetings: All persons should address and speak to the Chair – this Robert's Rule helps keep the discussion from being or seeming personal. For the same reason, people should refer to the officer's title not the person's name. For example "Commodore, I disagree with the Vice Commodores position" or "Commodore, I request the Treasurer, repeat the part of his report citing checks written" In most clubs, some direct conversation is tolerated for practical reasons but the Chair should keep this under control.

Fleet Captain Insignia: Tradition has the Fleet Captain anchor on its side and the Sail Fleet Captain anchor vertical. For the Fleet Captain, on either jacket sleeve when the jacket sleeve is hanging down at the person's side, the top on the anchor points forward (i.e. flukes aft). Interestingly, when the arms are crossed or bent the anchor flukes are on the bottom as is proper for anchoring a vessel. For Sail Fleet Captains, bending the arm will place the anchor in its side, which is still OK. Displaying an anchor upside down is nautical bad luck and should be avoided.

Fleet Captain: "Fleet Captain" is the title for the fourth officer in the yacht club line, whether they are a sail boater or power boater, with responsibility for the whole club fleet (including the activities of the Sail Fleet Captain) and often the club pier(s) as well. The Fleet Captain is usually a voting member of the Board of Governors (or Directors), whereas Sail and Power Fleet Captains (depicted by a propeller) usually are not.

What Yacht Clubs of Maryland provides for its member Clubs

Below is a summary:

1. Legislative and Regulatory Representation: Because we are focused only on Maryland and rely on directly affected local volunteers, we are usually ahead of other organizations in knowing and acting on issues of concern to Maryland yacht clubs and their members. If you have been following our publications or getting meeting reports from your representatives, you know that the 2015 legislation session held no significant problems for clubs and boaters. Other years have been a different story. Recent efforts have included, YCM submitting written testimony in opposition to the Boating Fees Bill (HB 1307) and the Luxury Tax Bill (HB 1345), contacted legislators, and had YCM reps attend the hearings on behalf of the clubs. At one of the hearings, with Cheryl Blakey and Joe Hellner (attending on behalf of YCM) noted committee members hitting points right off our written testimony. We worked collaboratively with CBYCA and kept them in the loop. We also investigated and then contacted officials and other organizations on the large gathering permit bill, which, once amended in response to feedback from the marine trades, YCM, and boating groups, had no effect on normal yacht club activities. Throughout the year, coordinated by our Legislative Director, volunteers looked into waterway and boating issues brought to us by our members. We also dug to find useful Maryland boating and waterway information so our members wouldn't have to. In 2015, YCM P/C Joe Hellner was appointed by the DNR Secretary to the Maryland Boat Act Advisory Committee as a representative from the yacht club community.

2. Support of Maryland yacht club interaction, communication, and promotion of activities of mutual interest.

a. Hold the Annual Fleet Captains Meeting to allow these (usually new) officers to meet and discuss plans for the upcoming season, collect information about club activities, and collect and publish that information back to the Fleet Captains and member clubs. These folks form the foundation for our Clubs futures and will be working with each other for the next four years. This is the venue that the Rear Commodore uses to introduce the Fleet Captains to the Ship's Log and passes out prior year information that will need to be updated.
(continued)

b. Maintain the YCM web site, which serves as the Maryland yacht club community bulletin board and is full of information and event news and links. By working with the webmaster, all clubs are welcome to use the website. The past three YCM Monthly Newsletters are always available by link from the website.

c. Publish a Monthly Newsletter covering news of interest, protocol tips, and upcoming activities. By working with the Newsletter Editor, this forum is open to all members. The newsletter is emailed to member club representatives and commodores to pass on to members. Those who would like to get the newsletter directly are welcome to contact the Editor.

d. Meet Monthly with alternating Board and General Membership Meetings as a "Local Community Association" to discuss and work on issues of interests to the members. Each club designates a Representative and Alternate to attend the meetings and provide communication between their club, the YCM, and fellow member clubs around the Bay. These meetings are open to all and lively frank discussion is the norm.

e. Annual SHIP'S LOG: Published each year at the start of boating season contains information provided by each member club intended to be useful to the average club member who wants to know more about other yacht clubs, what they have, and how to visit them. This publication also serves as the annual yearbook capturing people and events of our local yachting community. This is not an ad book as it is intended to and be an informational Service to the Member Clubs. Due to funding limits, printed copies given to each club are limited. The pdf file of SHIP's LOG is available to any member who would like to download the file for club or personal use.

f. Skunk Flag of the Bay Award: Recognizes at least one, sometimes several, members of the yacht club community each year for getting out there and doing something with their boats or with their clubs, leading to outstanding humorous and amusing mishaps and adventures. (continued)

The Awards are given by YCM's own Salty Sam the Sea Dog, who always notes that "Those who don't make mistakes must not be doing anything". Salty also serves as gossip columnist.

g. Regular Email Notification: Each year the YCM Vice Commodore maintains an email distribution list to provide breaking news or information of immediate interest to the members. Examples include "All Hands" notices, flyers from member clubs, Opening and Ball schedules and updates, Sick and Welfare Notices, and Funeral Information. Chances are your officers or Club first "heard about it" from us.

h. Protocol Guidance: Each year, YCM receives and responds numerous questions about why and how we do things in the traditional ways followed by Yacht Clubs, especially the local practices that evolved in Maryland over many generations. YCM appoints a qualified volunteer called "Captain Protocol" to do the research, be the keeper of the knowledge, and find ways to help the member clubs. Often questions become the genesis for regular articles in the newsletter. Recently, "Captain Protocol" provided Pleasant YC with the details of conducting an Opening Day Ceremony as practiced by Maryland clubs around the Northern Chesapeake Bay and distributed a one-page guide to placement of buttons, pins, and nameplates on yacht club uniforms.

3. Organize and Lead the Annual Yacht Club Golf Tournament to get together in a different type of activity that is popular among many club members in addition to their boating hobby. This event is darn hard to do so great credit goes to the Chairpersons and army of volunteers who create this special opportunity for the golfers and would be golfers in our clubs.

4. Organize and Lead the Annual Christmas and Holiday Party open to members and friends of all Maryland Clubs. This event is held at Laurel Park as a unique event, different from regular club activities, which celebrates Maryland's proud heritage of Thoroughbred Horse Racing while providing a centrally located venue where a (continued)

large number of folks from all the clubs together can gather to celebrate the holiday season.

5. General Support of Member Clubs:

a. Our goal is be there when Clubs are stuck on something. One area that has been well received has been our pursuit and stocking of hard-to-find silver buttons for club Past Commodores, especially since local tailors and online companies willing to carry these items are few. We were able to find the company that makes buttons, which provides us with wholesale bulk orders of all the types. We also keep a stock of silver hat braids and hat buttons.

b. Harnessing the power of many: YCM is the place to come if a member club has an idea or a problem that can be acted upon by finding and pulling together people of like mind and who have the passion and interest to pursue it.

YCM IS GRATEFUL FOR THE SUPPORT WE RECEIVE FROM OUR MEMBER CLUBS
