## COMMODORE'S REPORT

Hello Everyone,

I hope this message finds you and your families well as we are all in the "season of giving" colds, flu and covid that is. Hopefully you haven't and won't succumb to any of these ailments, however if you do Godspeed and I wish for you a quick recovery (I say this as I am in the latter stages of recovering from a cold).

YCM had found itself smack dab in the middle of an unforeseen transitional period which caused a change in our bridge followed by a statement released by me explaining the chain of events that had taken place. I feel the situation has been addressed in the best possible way and as of this moment I consider the matter closed. YCM is moving forward to continue supporting our member clubs and the yachting community.

We are diligently working on our website [www.yachtclubsofmaryland.com](http://www.yachtclubsofmaryland.com) and our Face Book page "Yacht Clubs of Maryland" in order to bring you the most accurate and up to date information possible. I invite you all to join our page and create posts to spotlight your clubs, post flyers for your events, pictures of past events, maybe even things happening on your waterways you may be concerned about. The Face Book page can be a powerful tool for communication. All we ask is that anyone who joins be a yacht club member. There are "Admins" monitoring the page to try and keep the platform a safe and family friendly page.

I invite any comments, feedback or suggestions, please email them to [YCMwebmaster@gmail.com](mailto:YCMwebmaster@gmail.com) or use the contact section of our website.

Remember; "Yacht Clubs need the support of other Yacht Clubs"

**THANK YOU FOR YOUR SUPPORT!**

*From our family to yours have a very*  
***Merry Christmas and a Happy and Healthy***  
***New Year!***

*Best wishes,*

*Commodore Elect Ryan Peters*

## VICE COMMODORE'S REPORT

Hello Everyone,

At a special Board meeting, I was honored to be asked to fill the role of Vice Commodore of YCM for the remainder of the current officers' terms. I thought for sure when I completed my year as the 2016 Commodore of the Chesapeake Commodores Club that I had firmly retired from yacht club officer's ranks. Apparently not.

Nonetheless, here I am assembling this edition of your Bay Breeze and enjoying it as my contribution to move YCM forward. My main duty is to keep the lines of communication open so club flyers and events are circulated to our member clubs and their members. To that end, please send your flyers to [YCMwebmaster@gmail.com](mailto:YCMwebmaster@gmail.com) and we'll make sure they are sent to our member clubs and posted on the YCM website/Facebook page. Because many club events are only open to club members, including reciprocity with other member clubs, we will not post your flyers elsewhere. If your club wants to open your events to the general public, you'll need to take steps to post on other sites. I will do my best to also email the flyers on occasion during the month, just to remind members of upcoming events.

Another key duty is scheduling our meetings at member clubs. So, you may hear from me asking to have a meeting at your club. If you'd like to take the first step and want me to have a meeting at your club, just let me know. For now, you can reach me at [jbroseker@att.net](mailto:jbroseker@att.net) or at 410-456-3313.

Another duty is scheduling guest speakers for our general meetings. If you'd like to hear about a particular issue, let me know and I'll see if I can arrange a speaker to address that topic.

Until then, Faye and I wish all a Merry Christmas and a Blessed, Happy and Healthy New Year!

Joe Broseker, Vice Commodore

## REAR COMMODORE'S REPORT

Hello all,

As I am sitting here watching the fog layer roll over the Gunpowder River on this calm December day, and as I reminisce and reflect of this past year events, activities, and travels, and most importantly Family, how thankful I am for so many things.

I hope you all had a wonderful Thanksgiving and I wish you all well during this Holiday season.

As you know, Yacht Clubs of Maryland will be hosting our Annual Fleet Captain's Orientation dinner at Crescent Yacht Club on Sunday February 5<sup>th</sup>. 2023. Please bring your Clubs event flyers, Tri-folds, Float plans and any information that you would like to share. Also, Yacht Clubs of Maryland will take this opportunity to make sure your page in the Ship's Log is correct & current. Please bring the contact information for all the Officers, in order, Mates, addresses, email, cell#. Also, the name and contact email for your Princess for formal invites. An updated Fleet Captain's Orientation meeting Flyer will be posted with new information. (1) Updated Meal, TBD & (2) Uniform of the Day for visiting clubs, Commando sweaters, shirts with Yacht Club logo, and/or Business casual for men & Ladies. YCM Officers, sweaters, white shirt, tie & black slacks. Please RSVP R/C Rick Pope by January 29<sup>th</sup>. [YCM.rear23@gmail.com](mailto:YCM.rear23@gmail.com) or 443-955-8687.

As you may know, Mr. Tom Stevens, P/C of Crescent Y/C, and Mr. Ted Wooden, P/C of Middle River Y/C, announced their resignations from Yacht Clubs of Maryland on Wednesday November 30<sup>th</sup>. 2022. I would like to acknowledge their efforts and contribution to the Yacht Club community, Also I am grateful and sincerely appreciative having had the opportunity to work with them both. As Commodore Elect Ryan Peters said in his emails, we must and we will continue to move on and support our Yacht Club Community. I deeply appreciate all the support we have received from our sister clubs, P/C's, members and Board of Governors. Last but not least I would like to say Thank You to our Board Members and our Past Commodore's for volunteering and Stepping Up again in support of Yacht Clubs of Maryland. I'm in 'ALL' knowing that following these footsteps of good Leaders with lots of experience, they will have my full support.

I would like to wish everyone a safe and enjoyable Holiday season, and a Merry Christmas.

Sincerely,  
Rick Pope, Rear Commodore  
[YCM.rear23@gmail.com](mailto:YCM.rear23@gmail.com)

## LEGISLATIVE AFFAIRS OFFICER'S REPORT

### **EPA Rejects Pennsylvania Pollution Plan**

The U.S. Environmental Protection Agency has rejected the latest Pennsylvania plan for reducing pollution in the Chesapeake Bay. The plan failed to account for 9.3 million pounds of nitrogen reductions PA was to achieve by 2025. As many of us know, much of this is from farm runoff and the nitrogen impacts the Bay by causing algae blooms that threatens marine life. This means that the EPA will continue heightened inspections and penalties that first went into effect in April. PA is pursuing cost-share plans to work with farmers to help reduce these runoffs. That's something Maryland and Virginia have been doing.

### **Federal Infrastructure Bill**

This legislation includes \$288 million over 5 years for Chesapeake Bay restoration. It also includes \$84 million for Maryland's efforts to improve water infrastructure and ensuring clean water.

### **Chesapeake Bay as a National Recreation Area**

Senator Van Hollen and Representative John Sarbanes have introduced legislation to designate the Bay as a National Recreation Area. This would cover not just Maryland, but all the way to Hampton, Virginia. It would secure additional conservation funds for the Bay and would give the National Park Service to acquire additional sites via voluntary sales and donations. If successful, this would be the first national recreation area designation since 2009, when Oregon's Mount Hood got the designation. It would NOT allow the Park Service to tighten or alter any existing regulations on use of the waterways of fishing in the area.

### **Port Covington**

Some of you may have heard about some developers deciding to change the name of Port Covington to Baltimore Peninsula. The developers feel this is better brand name for attracting more investment. But the name has gotten a lot of backlash on social media and in the Baltimore Sun, from both editorials and letters from citizens. They feel it ignores some of the important history of Port Covington. An official Grand Opening for Baltimore Peninsula is set for next September.

### **Congressman Harris and 10 Knot Speed Rule**

It appears that the National Oceanic and Atmospheric Administration or NOAA's National Marine Fisheries Service wants to change a rule that could result in significant economic impact for Maryland's Eastern Shore and could cause Ocean City to cancel one of the East Coast's largest billfish tournaments. There is a current 10 knot speed limit on boats 65 feet or longer in certain North Area Right Whale Vessel Strike Reduction Areas. The proposal is to apply the rule to vessels at 35 feet and longer, which obviously affects many more vessels. It would also apply to most of the East Coast, not just Right Whale calving areas. Rep Harris is following up on this and involving Maryland watermen.

Mary and I wish all Merry Christmas and a Happy and Healthy New Year!

LAO Richard Bruns

## PROTOCOL MATTERS

By Joe Hellner

### **Chairing Meetings**

During this festive time of year most yacht clubs experience Change of Watch. For the brand-new Commodores, this means assuming a special role, serving as Chair at formal meetings. Understanding and supporting the role of the Chair and following good parliamentary procedures make for a happy club.

Success as Chair means knowing that, like a conductor and orchestra, the Chair and meeting attendees work as a team to get things done in an efficient businesslike manner. A Chair must be able to guide (aka “reading the room”) by getting a sense of where the group wants to go while keeping things moving and on track to complete the business at hand on time. When a matter bogs down, the Chair must refer the matter to a responsible officer, committee, or the Board and/or defer it to another meeting. Very rarely in clubs should a meeting last more than 2 hours – less is more.

Those who want something voted on at a meeting need to be fully prepared, including handouts with the facts the group needs to make the decision. Have your motion(s) ready in writing. The Chair and Secretary do their best, but they are not the keepers of the magic motions that get the pier repairs or the summer cruise plans approved, you the members are!

Although usually a voting member of the club, group, or organization, the Chair must maintain strict neutrality. The Chair should never argue for or against a motion. If the Chair wants to part of the debate, the correct action is to hand over the Gavel to another. On most routine matters and motions, some leeway is tolerated in clubs because people usually want to hear the position of the club Commodore or President.

The Chair ensures persons are recognized in an impartial manner, that no person or side dominates the conversation, and that all can be heard one at a time with other meeting attendees in respectful silence. The Chair keeps and upholds the rules as defined by the club bylaws, club standing rules, and Roberts Rules of Order. Procedural questions are referred to a Parliamentarian, who clarifies how to proceed, if needed, consults the references for a resolution.

Voting by the Chair is often misunderstood. Although the Chair must not show preference for or influence decisions, as a member of the group, the Chair always has a right to vote. To preserve the appearance of impartiality, under parliamentary procedures, the Chair does not voice or hand vote except, to break ties after the voice or hand vote is taken. **The Chair participates in all ballot votes** because a such a vote is not seen or known by the other voters. The Chair should never hold his/her ballot until the end, but instead casts it in with all the others.

## PROTOCOL MATTERS (continued)

As a final pointer to all the new Chairs, a useful parliamentary option that members, board, and the Secretary will love is the use of **unanimous consent** when it appears clear that no one objects. In such instances, the Chair states "Without objection, the Board approves/directs/agrees (the Chair states as the matter on the floor requires) \_\_\_\_\_". This avoids the need to go through the cycle of motions, seconds, and votes. Most routine business and requests by members can be disposed of in this way. **It speeds the meeting along!** The Secretary records the decision by writing "The Board (or Membership) agreed/approved/directed (as stated by the Chair) \_\_\_\_\_". If there is an objection, the Chair states, "May I have a motion?" and handles the motion in the normal manner.

Till next time, see you around the Bay!

## CHAPLAIN'S REPORT

### **BECAUSE IT'S CHRISTMASTIME**

Because it's Christmastime again,  
The time of peace-goodwill to men.  
We marvel at the reds and greens,  
The ever-lovely Christmas scene,  
The cards, the gifts, the treasured love,  
And blessings rich from God above.

It's Christmas on each city street,  
The country lane with snow piled deep,  
While Children wait so patiently  
To trim that magic Christmas Tree,  
To tuck the packages away  
Awaiting one more Christmas Day.

We greet our dear ones-far and near-  
To add our touch of Christmas cheer.  
God bless each one of you - may joys increase-  
With new year happiness for each one,  
A world of peace, a heart sublime -  
My wish for you and yours this Christmastime.

*Original poem by Garnett Ann Schultz with variations by Chaplain Anna*

Although I have not heard directly from individuals involved, I am aware of several losses in our Yacht Club Family. Condolences to their families.  
I am also aware of individuals who have recently been diagnosed with various illnesses, others who are undergoing various treatments, and others who have had recent surgeries. Thinking of You and Get Well Wishes to them.

*From my family to yours Merry, Merry Christmas and a  
Happy and Healthy New Year!*

Take Care and Be Safe,

Anna Davis, Chaplain 2022-2023

Available to order, YCM Member Burgee for only \$35

In stock now, YCM Delegates Flag for only \$20.00

YCM Burgee: Can be flown by any member of a club that belongs to YCM. It is not to fly in place of the club burgee at the bow but may be flown on a portside hoist or attachment point or a separate rail mount flag post aft of the bow post.

YCM Delegates Flag: Can be flown by any Current Club Delegate to YCM. Flown as a club office on the Starboard side or on the port side under the club burgee for which the person is a delegate. As a current office, is flown above the P/C Flag and below any higher-ranking current club office.

## What Yacht Clubs of Maryland provides for its member Clubs

Below is a summary:

1. Legislative and Regulatory Representation: Because we are focused only on Maryland and rely on directly affected local volunteers, we are usually ahead of other organizations in knowing and acting on issues of concern to Maryland yacht clubs and their members. If you have been following our publications or getting meeting reports from your representatives, you know that the 2015 legislation session held no significant problems for clubs and boaters. Other years have been a different story. Recent efforts have included, YCM submitting written testimony in opposition to the Boating Fees Bill (HB 1307) and the Luxury Tax Bill (HB 1345), contacted legislators, and had YCM reps attend the hearings on behalf of the clubs. At one of the hearings, with Cheryl Blakey and Joe Hellner (attending on behalf of YCM) noted committee members hitting points right off our written testimony. We worked collaboratively with CBYCA and kept them in the loop. We also investigated and then contacted officials and other organizations on the large gathering permit bill, which, once amended in response to feedback from the marine trades, YCM, and boating groups, had no effect on normal yacht club activities. Throughout the year, coordinated by our Legislative Director, volunteers looked into waterway and boating issues brought to us by our members. We also dug to find useful Maryland boating and waterway information so our members wouldn't have to. In 2015, YCM P/C Joe Hellner was appointed by the DNR Secretary to the Maryland Boat Act Advisory Committee as a representative from the yacht club community.

2. Support of Maryland yacht club interaction, communication, and promotion of activities of mutual interest.

a. Hold the Annual Fleet Captains Meeting to allow these (usually new) officers to meet and discuss plans for the upcoming season, collect information about club activities, and collect and publish that information back to the Fleet Captains and member clubs. These folks form the foundation for our Clubs futures and will be working with each other for the next four years. This is the venue that the Rear Commodore uses to introduce the Fleet Captains to the Ship's Log and passes out prior year information that will need to be updated.  
(continued)

b. Maintain the YCM web site, which serves as the Maryland yacht club community bulletin board and is full of information and event news and links. By working with the webmaster, all clubs are welcome to use the website. The past three YCM Monthly Newsletters are always available by link from the website.

c. Publish a Monthly Newsletter covering news of interest, protocol tips, and upcoming activities. By working with the Newsletter Editor, this forum is open to all members. The newsletter is emailed to member club representatives and commodores to pass on to members. Those who would like to get the newsletter directly are welcome to contact the Editor.

d. Meet Monthly with alternating Board and General Membership Meetings as a "Local Community Association" to discuss and work on issues of interests to the members. Each club designates a Representative and Alternate to attend the meetings and provide communication between their club, the YCM, and fellow member clubs around the Bay. These meetings are open to all and lively frank discussion is the norm.

e. Annual SHIP'S LOG: Published each year at the start of boating season contains information provided by each member club intended to be useful to the average club member who wants to know more about other yacht clubs, what they have, and how to visit them. This publication also serves as the annual yearbook capturing people and events of our local yachting community. This is not an ad book as it is intended to and be an informational Service to the Member Clubs. Due to funding limits, printed copies given to each club are limited. The pdf file of SHIP's LOG is available to any member who would like to download the file for club or personal use.

f. Skunk Flag of the Bay Award: Recognizes at least one, sometimes several, members of the yacht club community each year for getting out there and doing something with their boats or with their clubs, leading to outstanding humorous and amusing mishaps and adventures. (continued)

The Awards are given by YCM's own Salty Sam the Sea Dog, who always notes that "Those who don't make mistakes must not be doing anything". Salty also serves as gossip columnist.

g. Regular Email Notification: Each year the YCM Vice Commodore maintains an email distribution list to provide breaking news or information of immediate interest to the members. Examples include "All Hands" notices, flyers from member clubs, Opening and Ball schedules and updates, Sick and Welfare Notices, and Funeral Information. Chances are your officers or Club first "heard about it" from us.

h. Protocol Guidance: Each year, YCM receives and responds numerous questions about why and how we do things in the traditional ways followed by Yacht Clubs, especially the local practices that evolved in Maryland over many generations. YCM appoints a qualified volunteer called "Captain Protocol" to do the research, be the keeper of the knowledge, and find ways to help the member clubs. Often questions become the genesis for regular articles in the newsletter. Recently, "Captain Protocol" provided Pleasant YC with the details of conducting an Opening Day Ceremony as practiced by Maryland clubs around the Northern Chesapeake Bay and distributed a one-page guide to placement of buttons, pins, and nameplates on yacht club uniforms.

3. Organize and Lead the Annual Yacht Club Golf Tournament to get together in a different type of activity that is popular among many club members in addition to their boating hobby. This event is darn hard to do so great credit goes to the Chairpersons and army of volunteers who create this special opportunity for the golfers and would be golfers in our clubs.

4. Organize and Lead the Annual Christmas and Holiday Party open to members and friends of all Maryland Clubs. This event is held at Laurel Park as a unique event, different from regular club activities, which celebrates Maryland's proud heritage of Thoroughbred Horse Racing while providing a centrally located venue where a (continued)

large number of folks from all the clubs together can gather to celebrate the holiday season.

#### 5. General Support of Member Clubs:

- a. Our goal is be there when Clubs are stuck on something. One area that has been well received has been our pursuit and stocking of hard-to-find silver buttons for club Past Commodores, especially since local tailors and online companies willing to carry these items are few. We were able to find the company that makes buttons, which provides us with wholesale bulk orders of all the types. We also keep a stock of silver hat braids and hat buttons.
- b. Harnessing the power of many: YCM is the place to come if a member club has an idea or a problem that can be acted upon by finding and pulling together people of like mind and who have the passion and interest to pursue it.

**YCM IS GRATEFUL FOR THE SUPPORT WE RECEIVE FROM OUR MEMBER CLUBS**
