## Commodore's Report

As winter sets in and the holidays near, I wanted to extend wishes for a Merry Christmas, Happy Hanukkah, Happy Kwanzaa, AND since your next Bay Breeze will not arrive until mid January, HAPPY NEW YEAR to each and every one of you!! 1st Lady (Soft Crab as it may be) Melissa, Lillian, Anniston, Buster the Bulldog and I consider the yachting community our extended family and thank you immensely for being in our lives. May the season bring you joy, comfort, and a sense of peace.

Now onto business - Galloway P/C Dave Majerowicz and I are looking for a club to host our Officer Training Course on Friday, January 16th. We spend plenty of money and expect a crew of 20-30 people. Please reach out to me if your club is interested in having us. Uniform protocol, spouse orientation into the world of being an officer's significant other, and general yacht club procedures will be the topics of the evening. Those that are new to the uniform, old to the uniform and need a quick reminder, or thinking of running up the line are all encouraged to attend. Commodores - bring your newbies and oldbies so we can all look and know the roles we have accepted. Thanks in advance for your support of this informative and fun evening.

From the bottom of my heart, a huge shoutout of thanks goes to P/C (of just about everything) Cheryl Blakie for putting together another fantastic YCM Christmas Party @ Laurel Park. In case you haven't heard about the fudge she donated to the event, it was to die for. I even won a little change betting the ponies, which surely added to my happiness that day! Thanks again, Cheryl. Your efforts are greatly appreciated.

Please take the time to read the messages from the YCM officers and committee members below. They dedicate their time to keep you informed. They are also amazing friends that do their all to make YCM shine.

Until next month.....

## Vice Commodore's Report

Greetings Yacht Club family. On behalf of the entire DiCara family, we wish you a blessed Christmas and Holiday Season and a wonderful New Year. It won't be long before the sun starts to set later in the day and we look forward to warmer days. Hang in there! Mark your calendars now for all the exciting events that YCM has planned for 2026. Also, please continue to share your Club's activities with us on our dedicated YCM Facebook Page. This is the best way for us to keep in touch and advertise our events.

It's hard to think about opening season when there is a chill in the air, but many of us are already planning our 2026 opening events. Just a reminder that we at YCM are helping to coordinate opening schedules in an effort to minimize conflicts and maximize the fun. For those of you with flexible opening dates this may be an opportunity to increase participation in your clubs' opening ceremony and festivities.

**Yours in service,**  
**V/C Tony DiCara**

## **Rear Commodore's Report**

### **Wishing Everyone a Happy Holiday Season**

As we approach the end of the year, the Maryland yacht club community comes together to celebrate our shared passion for boating and camaraderie. This monthly report highlights activities, upcoming events, and important reminders for all members.

#### **[Season's Greetings](#)**

On behalf of all Maryland yacht clubs, we would like to wish every member and their families a happy and healthy holiday season. May this time bring you joy, relaxation, and memorable moments on and off the water. We appreciate your enthusiasm and commitment throughout the year, making our clubs vibrant communities.

#### **[Upcoming Events](#)**

- **Fleet Captains' Meeting:** Please mark your calendar for our upcoming Fleet Captains Meeting to be held on February 1<sup>st</sup>. Further details will be communicated soon. It is crucial for all fleet captains to attend, as we will discuss plans for the upcoming boating season, review safety procedures, and coordinate inter-club events. Don't forget to mark your calendars and reach out to your fellow captains to confirm attendance.
- **Holiday Gatherings:** Many clubs host holiday parties and dinners. Be sure to check your club's event calendar and RSVP to join in the festivities.

#### **[Officer's Information Request](#)**

- An information sheet is available on the following page. We kindly ask that you fill out this form with your current Bridge information. This process is essential for us to update our Ships Log accurately. Timely and complete responses from each club will help ensure our records are up to date and our communications remain effective.

#### **[YCM to Rock Hall, Maryland](#)**

- Don't forget about our Yacht Club Meeting (YCM) scheduled to take place in Rock Hall, Maryland. Further details, including the agenda and activities, will follow in our upcoming communications. We look forward to your enthusiastic participation.

#### **[Golf Tournament Reminders](#)**

- As I will be coordinating the upcoming golf tournament, please expect a reminder every month. Stay tuned for more information regarding registration, teams, and event details. Your involvement will make this event a memorable one for all.

As we wrap up another wonderful year, let's celebrate our achievements and the friendships built through Maryland's yacht clubs. Have a happy holiday, and we look forward to seeing everyone at the Fleet Captains' Meeting and future events!

## Legislative Affairs Officer Report

As of December 1, there is no legislation available for the 2026 Legislative Session of the Maryland General Assembly. I'm sure that will change next month, so YCM will be looking out for any proposed bills that impact the boating community. Stay tuned.

We did check on the status of Maryland's pending action on the Days Cove Discharge Permit application. The State has made no decision yet and there is no timetable yet for a decision. Once again, we will continue to monitor this.

Some of you may recall a discussion of the Chesapeake Bay National Recreation Area Act that was proposed by Maryland's Senator Van Hollen. The Senator's website is not showing any progress on this proposal since 2024. In today's political environment in Washington, it seems unlikely this proposal has any current priority.

## Protocol Matters

By P/C Joe Hellner

People often ask about the positions of people when they are introduced at a yacht club event, ball, or Change of Watch.

The rule is very simple. The person being introduced is always placed on the right, regardless of rank, club position, or title held. Each introduction is unique and intended to convey honor to the person in a certain role or capacity and to officially welcome them. Common examples include the representing official for a club or organization, a person giving or receiving an award, or a person performing a duty such as giving the invocation.

Examples of how the rule works: If a princess is being introduced, she goes on the right, no matter who is escorting her. If the father of the princess is being introduced, his daughter would escort him on her right. Speaking of yacht club royalty, a princess may be escorted by a queen and vice versa - as always, the person being introduced stands to the right.

A local tradition in our area that appears to be an exception is for a club commodore (or ranking officer) to escort his/her club princess while in turn being escorted by their mate or a friend. This often creates a 3 person group where the two persons to the right are being announced simultaneously. This is acceptable protocol because, it is the visiting club that is being introduced so it is proper for the ranking officer to escort their princess aboard as a practical step that avoids announcing the club twice. As for the princess being rightmost when it is technically the ranking officer who officially represents the club, this follows an old tradition of princesses being to the right when announced and has been widely accepted by area clubs.
