

Turn Amazon Deductions into Reclaimed Revenue

Stop treating Amazon deductions as a cost of doing business. With Seller Investigators, sellers reclaim lost revenue – so your team doesn't have to.

Benefits

Recover More, Faster

Automated weekly audits and expert-led case management.

Full-Service Resolution

We manage every step—from documentation to dispute filing.

Simplify Claims

Track every case in real-time with the Seller Investigators dashboard.

Boost Cash Flow

Maximize reimbursement revenue by identifying missed opportunities across 8+ categories.

Getting Started Is Simple—and Fast:

- 1. Connect Vendor Central.** Seamless and secure integration with no platform fees.
- 2. Audit Your Recovery Potential.** Get a complimentary report showing what's recoverable.
- 3. Start Recovering Revenue.** Disputes submitted in as few as 30 days. Money flows back quickly.
