

ShipStation lays the foundation for scalable growth

Centralize order management, automate fulfillment, save on shipping and grow your business seamlessly

Online retail is more challenging than ever

Increasing Costs

52% of businesses cite rising operational, fulfillment, and customer acquisition costs as primary challenges.

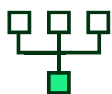

Emerging Channels

77% of consumers purchase or plan to purchase via social media, but only 33% of retailers sell there.

Heightened Expectations

77% of shoppers agree that expectations for delivery speed, flexibility, and convenience have increased.

Goodbye busywork, hello business growth

All your orders in one place

Manage all your orders from a single app with 400+ integrations

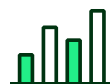

Ship more orders, faster

Automate repetitive tasks, reduce human error

Cut Costs, not corners

ShipStation saved businesses \$4M last year by surfacing the best shipping rates

Grow Your Business

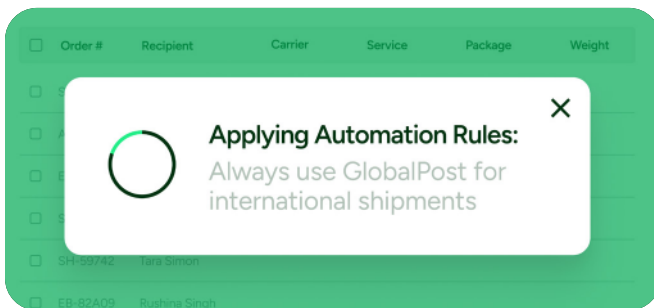

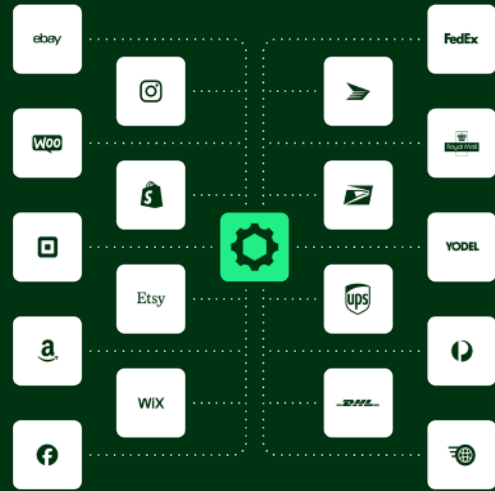

Customers report scaling operations over 40x with ShipStation

Centralize

Unite your entire fulfillment process from orders to delivery in one place

- ✓ Multiple Channels. One Login.
- ✓ Auto-import orders. No more switching between screens to ship.
- ✓ Sync inventory with sales channels to never over or under sell.

Automate

Eliminate manual work with rules for nearly every shipping operation

- ✓ Streamline fulfillment with more automation rules than any competitor.
- ✓ Get orders out the door with 60% fewer clicks and reduce human error.
- ✓ Create up to 15x more labels per hour.

Save

Discounted rates on all major global carriers

- ✓ Save up to 90% on shipping rates with our pre-negotiated discounts.
- ✓ Automate finding the best rate on every shipment.
- ✓ Increase shopping cart conversion by offering more shipping options.

Thousands of fast-growing businesses trust ShipStation to optimize their fulfillment operations
