3		GenMtg	A trip to Half Moon Bay for lunch would be nice					
4		GenMtg	It would be wonderful to go Sonoma or Half Moon Bay for an outing with the bus					
5*		GenMtg	For next Mother's Day go somewhere else for lunch like the Basque Center or other places			NA		Doing a lunch would restrict attendance, many guests work & dinner allows them to attend (daughters, etc)
6*		GenMtg	Dinner should not be mandatory for a meeting. If dinner to be served, it should be offered at a reduced rate or offer a no dinner option		May 2018 Newsletter	C	June 2018	Set up area for members who wish to attend meetings but no dinner.
7*		GenMtg	Speakers at dinner meeting or something more than just the regular meeting. Same old stuff			C		October meeting will have a speaker – Michelle Carter
8*		GenMtg	Give back some money to members like a free dinner one time a year instead of giving out to other			C		November meeting is a hosted dinner by the IAWG – Pizza Dinner
9*		GenMtg	A day trip to the Casino or a day to one of the winerys			C		October 4, 2018 trip to Graton Cancelled due to not enough individuals signing up See item #2 above
10*		GenMtg	To many dinner meetings at \$28.00 for pasta and salad			C	01/2019	2019 Dinners will be choice of pasta or chicken – cost is \$32 per person
11*		GenMtg	Wine should be included with the dinner on Monday nights. Price is large for what we are served! As above, I think for the price, wine should be included More condiments in salad & more dressing, chicken pasta not a Italian Dish			C		Members can bring own wine and there is no corkage fee If need more dressing, please ask server
12*		GenMtg	Since you changed the seating arrangement, I find it is not a good idea. I know you want people to mingle but I already have had a problem with a person who rant & went on & on about a rotten meal at the restaurant which by chance was owned by her son-in-law. It would be so much better to back to the old way			NA		
13*		GenMtg	How about the Board members being recognized for all of their work on a yearly basis by way of a luncheon or dinner at the end of the year. P.S. paid for by the membership as a thank you a member of IAWG			C		By laws states no compensation for Board members (Article IV)
