

TAKE YOUR STUDENT RETENTION AND INVOLVEMENT TO THE NEXT LEVEL!

Dr. Dee Carroll's Prescription for Campus Connections that Create Results

Dee Carroll, Ph.D., is a speaker, coach, and consultant who is passionate about working with students, campus administration and student life directors- to help them achieve their goals of creating a captivating student life experience that propels both engagement and retention, helping to assure students stay the course and finish their degrees. Through her unique tools, students will learn to unlock their full potential- address their fears and visualize their optimal outcomes. Dr. Dee encourages students to buy in emotionally and intellectually for better long-term results and to fully connect with their objectives -by creating a unified strategic vision, with attainable goals. Her specialty is student achievement, resilience, adaptability, and discovery.

Dr. Dee is a sought-after speaker. As the Emotional Emancipation Doctor, her goal is to help others break through barriers that are holding them back. With her distinctive tools, she leads her audiences to a better understanding and implementation, while empowering them to achieve their goals, to increase their vision, to commit, connect, engage- and to guide them to where they want to be.

Dr. Dee has appeared before the United States Senate Committee on Housing and Urban Affairs and CNN. With over 28 years of experience as a senior executive and entrepreneur, Dr. Dee has deep knowledge and skill in workforce development, staff augmentation, and life coaching. She holds degrees in Psychology, Business Administration, Management, and was in a featured CNN segment discussing the success of minority-owned businesses. Dr. Dee is an engaging and sought-after campus speaker.
