

ADVANCE YOUR COMPANY'S STRATEGIC VISION

DR. DEE CARROLL'S BLUEPRINT FOR IMPROVED EMPLOYEE ENGAGEMENT AND RETENTION

Is your company or business struggling with employee engagement and commitment? There has to be a buy in. People must be fully connected to work at optimal levels.

Dee Carroll, Ph.D., is a speaker, coach, and consultant who is passionate about working with individuals, corporations, and small businesses to help them achieve their goals. Through her unique tools, your employees, team leaders, CEOs, and audiences, will learn to unlock their full potential. Dr. Dee encourages employees to buy in emotionally and intellectually for optimal results and helps employers to fully connect with their talent -to create a unified strategic vision, with attainable goals.

Dr. Dee is a sought-after speaker. As the Emotional Emancipation Doctor, her goal is to help others break through barriers that are holding them back, personally and professionally. With her distinctive tools, she leads her audiences to success, empowering them to achieve their goals, to increase their vision, to commit and connect- and to guide them to where they want to be.

Dr. Dee has appeared before the United States Senate Committee on Housing and Urban Affairs and CNN. With over 28 years of experience as a senior executive and entrepreneur, Dr. Dee has deep knowledge and skill in workforce development, staff augmentation, and life coaching. She holds degrees in Psychology, Business Administration, Management, and was in a featured CNN segment discussing the success of minority-owned businesses.
