We are very pleased and excited to announce that we are now formally affiliated with Merrill Real Estate Services. In addition to being a licensed Architect in 10 States, Serenity Architecture Co's President, Robert Jordan, is also a Michigan Licensed Real Estate Salesperson. Partnering with Merrill Real Estate Services will allow us to offer a greater array of services to our Clients, including residential and commercial real estate transactions. Like Serenity Architecture Co., Merrill Real Estate Services prides itself on providing a high level of customer service with 80% of business being generated from return Clients or referrals from past Clients. Additionally, Broker Mike Merrill consistently ranks among the top 2% of Brokers nationwide and is one of Detroit's top-producing Brokers. In addition to handling real estate transactions with Merrill Real Estate Services, Robert Jordan will also serve as its Assistant Sales Manager and we look forward to significant growth over the next 12 months.
