

Serenity Real Estate Services

Berkshire Hathaway Home Services/HWWB

Serenity Real Estate Services is the arm of **Serenity Architecture Co.** which provides real estate transaction Services, through **Brokerage Berkshire Hathaway Home Services/HWWB Realtors**. REALTOR Robert Jordan is an Architect by trade, in private practice, with over 25 years of experience ,in most market sectors; and he brings his architectural expertise to bear for his real estate clients, guiding them through all aspects of the sales, purchase, or project process.

For our Residential Clients, whether your are selling or buying, we bring our years of experience in the Metro Detroit Area Market to help you find a buyer or to find your perfect new home. If you find that “diamond in the rough”, we can help you turn it into your dream home.

For our Commercial Clients, Mr. Jordan understands the property search, site search, and development process, how to work with you to find your ideal property, how to guide your through the site plan approval process, and how to work with you to design and engineer within your project budget, whether it be a new build or a renovation.

Please contact us to discuss how we can partner with you and guide you through to a successful outcome for your real estate transaction or property related project.
