15 May 2024

To the membership,

Just a quick note to let everyone know where we are with Carnell Raceway. Our lease with Southern Downs Regional Council is proceeding slowly, it is about to be signed in the near future. There are a few points we want to get right so we can get the best result for the future of Short Circuit Motor Sport Association Inc.

Another thing that has been raised was who is a volunteer. Our club can only operate if we can volunteer our time and expertise, all pitch in to help where we can. Our goal of resealing Carnell Raceway could be put off way into the future if we don't look after the money we have and keep costs down.

Being a club member of a **not-for-profit** club such as ours does require us to put in where we can to make it all work. I know some of us live a long way from Stanthorpe and with the small number of club members, who have attended the working bees for track repairs, our track marshals who also setup and make our events run smoothly who we thank for their involvement.

If we are serious about our takeover of Carnell Raceway, we need to get involved that way we can keep our entry fees down, do the resealing we all know must be done ASAP. We will rely on the membership to do what is required for the work on Carnell Raceway or we will have to hire outside contractors to do what is required to bring this complex up to a standard of safety needed for us as well as other clubs who wish to hire Carnell Raceway. That will be the way we can grow our entry numbers, attract more people to Carnell in the future, help the town and bring Short Circuit Motor Sport Association Inc. as being part of the community.

Some think Short Circuit Motor Sport Association Inc., is making money from Carnell Raceway hire, while this is true, any money that is made is going into work required.

Clubs affiliated with SCMSA
Downs Motorsport Club - Lotus Club of Qld
Ipswich West Moreton Auto Club
Tamworth Sporting Car Club - Millmerran Auto Club

Funded by

Gambling

Community Benefit Fund
Queensland Government

Short Circuit Motor Sport Association Inc.'s main bank account needs to grow with the small amount of profit that is made and set aside for the resealing of Carnell Raceway.

We have set up a subcommittee to do the repairs and maintenance of Carnell Raceway. The chairperson will be Brett Kelly along with some very good locals and anyone else who is keen to help.

Working bees are being organised for Saturday 25 May 2024 and Sunday 26 May 2024. Please give Brett a call as to how you can HELP. Brett Kelly Mobile: 0428 747 087.

CHANGE OF DATE

The October date for Round 3 had to be changed to 14 & 15 September 2024 to give our Event Secretary enough time to prepare the Supplementary Regulations between Round 3 and Round 4.
