The QSSS Super Sprint Series is an annual event run by Warwick District Sporting Car Club. It's iconic to Morgan Park raceway and has its differences to most other events. At the QSSS it isn't your best lap time, rather your best session for the weekend that will get you to the top of the leaderboard.

The QSSS is divided up into 3 groups. These are the A, B and C series. There is no ranking for the series as such, but each series will have different categories to enter in them. This means the A, B and C are just the name of the series (could be blue, red, green for example).

It is open to all drivers and in 2025 will be running under a Motorsport Australia Speed license. To enter this event, you must first enter the series via [QSSS \(morganparkraceway.com.au\)](http://QSSS.morganparkraceway.com.au).
