To our valued Competitors and Members,

Firstly, and most importantly I hope and pray that you and your family are safe and healthy. Who could have ever imagined the health and economic issues that we are now all faced with due to the fast spreading Covid-19 virus. I encourage all of you to continue to take every measure possible to protect you and your loved ones.

Regrettably I advise that due to the Federal Government's guidelines regarding Covid-19, Round 2 of our Associations series scheduled to be run at Carnell Raceway on May 23 and 24 has been cancelled.

In these unprecedented times we are all affected in one way or another by the ever changing circumstances we are faced with, and sport is not immune to this, as you will have seen there is almost no sport being played anywhere in the world.

I will endeavour to keep you informed of further progress with regards to other scheduled events and at this stage our next round, which was to be round 3 on the 25th and 26th of July will proceed. A recap of our 2020 events is as listed below

2020 QLD-NSW Sprint Challenge Calendar Dates

Rd 1 - 29th February / 1st March 2020 – Morgan Park, Warwick - **Complete**

~~Rd 2 - 23rd / 24th May 2020 – Carnell Raceway, Stanthorpe - **Cancelled**~~

Rd 3 - 25th / 26th July 2020 - Carnell Raceway, Stanthorpe

Thank you so much for your continued support of our Association and I look forward to seeing you at our next event all being well in July. In the meantime, my very best wishes to you and your family today and always.

Yours in motorsport,
