

Welcome to the new year.

With a new year we now have a change in the management committee, Derek has stood down as President, due to his business and family commitments he found he could not find the time required to continue to look after the Associations interests. After 20 years in the position he has done an amazing job but life and business sometimes has to come first, so a big thank you to Derek for everything. Also our secretary Kevin Hunter and Vice President Marilyn Stephan are moving on - a big thank you to them as well.

The new management committee is:-

Moss Lane - President

Ross Rundle - Vice President

Michelle Mugliett - Treasurer

Bronwyn Eldridge - Secretary

Kristy-Lee Kahler, Mark Manteufel, Shane Hill - Committee members

Bruce Nicol - Motor Sport Australia Rep

Pat Murray - Membership

Stephen Roos - Web Master

Event management

Lindsay Simmons.- Clerk of Course

Rod Sams - Event Secretary

Michelle Mugliett - Timing

Len Falknau - Eligibility Officer

This is a great team who are looking forward to help move and grow the Association into the future. We look forward to your input to help the SCMSA to go on to bigger and better things in the future..

We look forward to running 4 events this year:-

11 th – 12 th February	Morgan Park Warwick
25 th – 26 th June	Carnell Raceway Stanthorpe
17 th – 18 th September	Carnell Raceway Stanthorpe
29 th – 30 th October	Carnell Raceway Stanthorpe

We all hope Covid comes under control soon so be safe and all should be good.

Moving forward we will continue on with is the Junior Motorsport Development Program. With the first car now ready to go we need a team to run this program.

Len Faulknau has been asked if he would set up a sub-committee to look after the Junior Program, if you can help please contact Len - 0412 070 325.

Also with official training, we are talking to senior Motor Sport Australia trainers to formalise a training program to bring our people up to speed with their licensing and their promotion up the ranks. These people are a most important part of our club. We need to continue to grow our officials base to ensure we can continue to run our events into the future.

We are moving the Mobile Event Command Centre up to Warwick or somewhere closer to our events, at the moment we have a short time private site in Warwick. We are looking for a long term permanent site/s to house both the Junior car and the Command Centre. If you know somewhere please let us know.

Well that is enough from me. I look forward to catching up with everyone this weekend at Morgan Park .

We will be having a BBQ on Saturday afternoon, It will be a great time to catch up.

Thanks Moss Lane

President
