24 July 2022

Dear Competitor

On behalf of the Short Circuit Motor Sport Association I wish to extend to you all an invitation to compete at the 3rd Round of the 2022 Qld – NSW Sprint Challenge and the 2022 Short Circuit Touring Car Series to be held on the 17th – 18th September 2022 at Carnell Raceway Stanthorpe.

We are looking forward to another great round following the last round at Carnell. It was great to see a number of new competitors and a good field of Juniors.

While Covid 19 is still out in the community we are not burdened with the compliance requirements we had in the past. We will still be required to conform with any Queensland Health requirements that are in place at the time of the event. That said for our own well being we all need to continue Covid safe and good hygiene practices.

We will be continuing the trial of the reduction of Sprint entry fees for competitors who enter both the Sprints and Short Circuit events. The Sprint fee has been reduced by fifty percent. Hopefully this may provide an opportunity for competitors to have a run in both events.

Camping will be available at the circuit on Friday and Saturday nights. The gates to Carnell circuit and the camping area will open at 1.00pm noon on Friday. Catering will be available on Saturday and Sunday.

Entries close with the Event Secretary, PO Box 3718 Sunnybank South 4109 on Sunday 28th August 2022.

The organising committee continues to need helpers who can assist with the running of our events and to help out on the weekend. If you or somebody you know can help out please let us know. Your assistance would be greatly appreciated.

We are looking forward to seeing you again at Stanthorpe.

Yours in Motor Sport
