

Upcoming Queensland Training Courses

21 September 2019 – Bronze Scrutineer Module

Warwick / Toowoomba

Scrutineers are responsible for checking the compliance of vehicles and the eligibility and safety requirements of CAMS National Competition Rules.

22 September 2019 – Silver Module

Brisbane

Bronze Officials who seek to progress and assume team leader roles in officiating complete this training. The Silver Module is a generic training module, applicable to all disciplines and focuses on leadership and management.

19 October 2019 – Bronze Fire & Rescue Module

Brisbane

Fire and rescue marshals attend to fires within competition vehicles and on the track and are responsible for the extrication of competitors from their vehicles if required.
