# About us

## MUST Milestones

**MUST** 美世乐

## Introduction

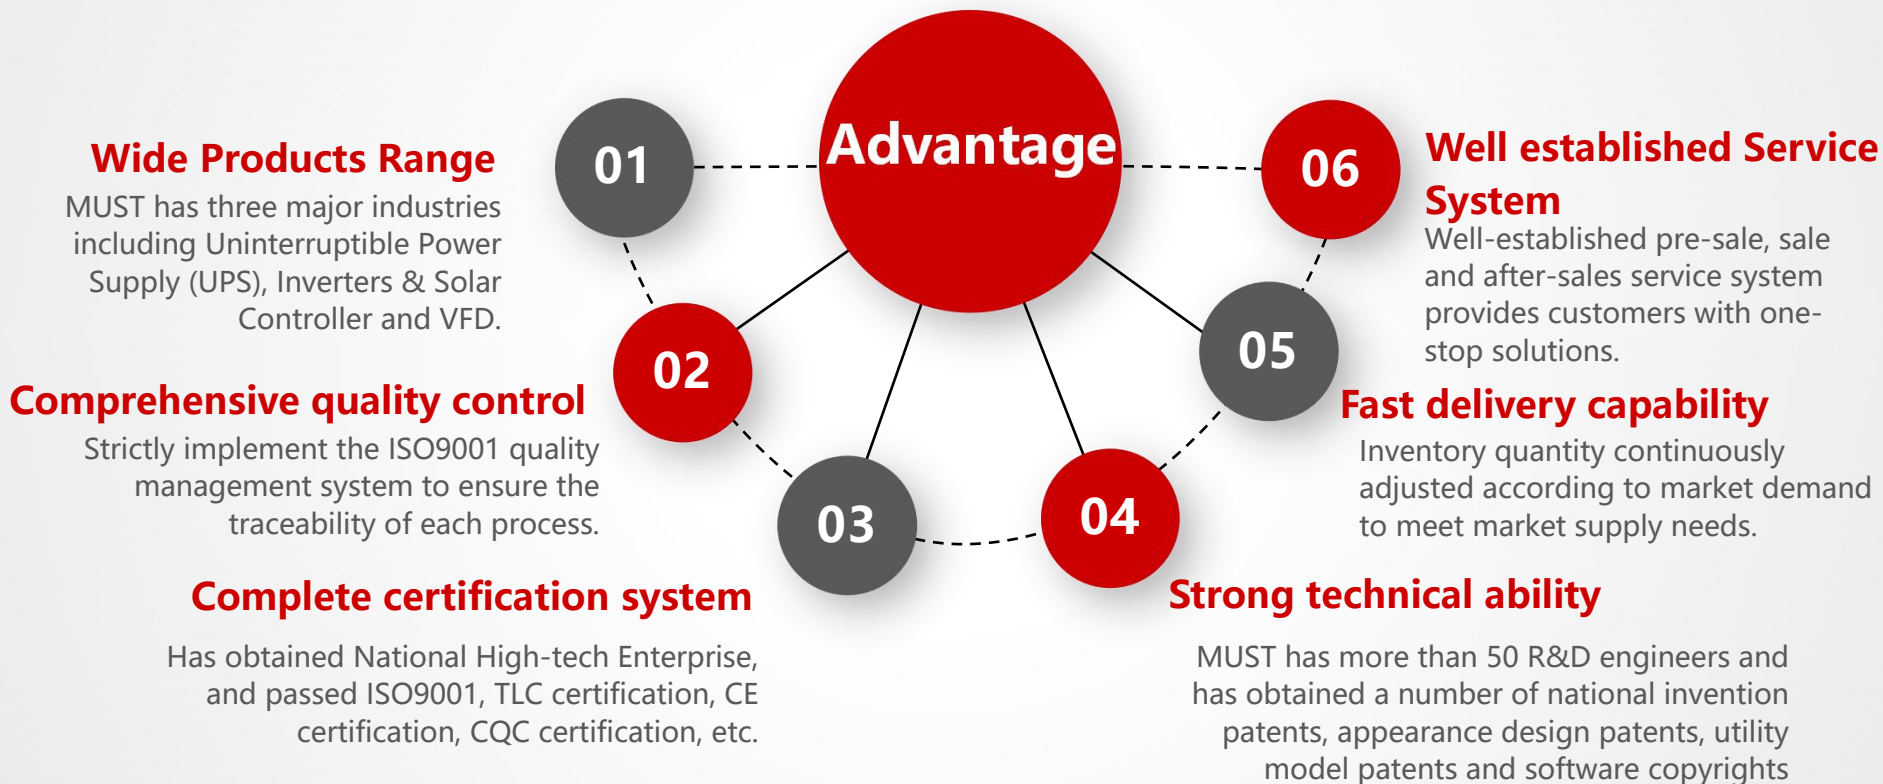

√ Must Energy established in Shenzhen, China in 1998. Which is a leading manufacturer of power protection products and service solutions including (UPS), Power Inverters, Solar Inverters, Solar Charge Controllers, also we provide solar system solutions to clients all over the world.

√ MUST has established an enviable reputation based on passion, quality, innovation, reliability and integrity for power protection technology, excellent service, complete customer satisfaction and confidence unmatched within the industry. Must bought the 2nd factory in Foshan with 20,000 m<sup>2</sup> basement in 2018.

√ With all these competitive terms and advanced technology. MUST products have been sold to more than 120 countries. And sales turnover is more than \$50 million.

MUST products are exported to Spain, Italy, Russia, Australia, the Middle East, Ukraine, South Africa, Nigeria, Pakistan and other countries, and services center have been established in many overseas places and in Guangzhou, Shenzhen, Shanghai, Suzhou, Beijing, Chengdu and other places in China. Outlets, to provide customers with high-quality and efficient services.

MUST is committed to becoming a star enterprise in the field of new energy and automatic control, creating value for customers, contributing to society, and creating happiness for employees.

# Products Introduction

## Solar Inverter&Charge Controller

Solar Inverter 300W-12KW  
12V/24/48VDC

Solar charge controller MPPT 20A-100A

Solar charge controller PWM 10A-80A

## UPS

Offline UPS 500VA-3000VA

Online UPS 1KVA-200KVA

Modular UPS 20KVA-400KVA

## VFD

Widely used in industries such as cables, machine tools, metal products, petrochemicals, natural gas, lifting equipment, pulp and paper, textiles, printing and dyeing, ceramics, etc.
