INTRODUCTION

666 LIZARD SECRET SOCIETY Founded by Jay Brown on the 8th of march 2022. (666LMT) A governance and utility token used within the 666LMT ecosystem to empower a decentralized community building at the forefront of web3. Deflationary token operating on the Binance smart chain network, ultra-speedy, super low fee's for transactions, Meme coin, with a max supply of 2 trillion token's that will ever be produced.666LMT tokens used as a payment service making it easy for investors to make peer to peer payments at super low fees. We will play a key role in allowing investors to capitalize on the growth of the crypto / Metaverse/Gaming industry. As time goes by 666LMT will release new utilities to the project. We will play a key role in bringing Real estate to the blockchain.

ROAD MAP

666LMT have brought to the community a utility coin /unique 1:1 666LMT Land piece's/characters that will be featured in the 666LMT world/virtual reality game. All holders of land piece will be granted an access membership pass to the Lizard secret society virtual world. /Meme coin.666LMT will play a key role in allowing investors to capitalize on the growth of the crypto / Metaverse/Gaming industry.

Lizard Secret Society Virtual Reality World, A place for the 666LMT community to come hang out in the metaverse, play virtual games with a real-life affect themed around the illuminati.666LMT land pieces from the Nft collection will be featured via the virtual world giving investor's opportunity to invest between Crypto and the Real Estate Market. 666LMT was founded with one vision in mind. Make property ownership easily available to the masses. Forming the most limitless venue to buy real estate. Lizard Secret Society will be releasing branded merchandise including hats, t-shirts, jumpers, via the official V2 website, the only way to purchase our products is with 666LMT token's being the only form of payment.666LMT merchandise will be branded with the Logo/character's from the Lizard Secret Society Nft collection.

CEO

MARK HILL born in a small town called Sailsbury, United Kingdom, Mark has had over 10 years of experience in retail and international trade. From 1990 Mark owned his own clothing company and overtime has become rather successful, been involved in the real estate industry since then a project manager for key residential properties nationwide. Mark was announced CEO of 66LMT on the 15 of March 2022.

TOKEN DISTRUBUTION

666LMT team own 20% of the supply

60% Circulating supply

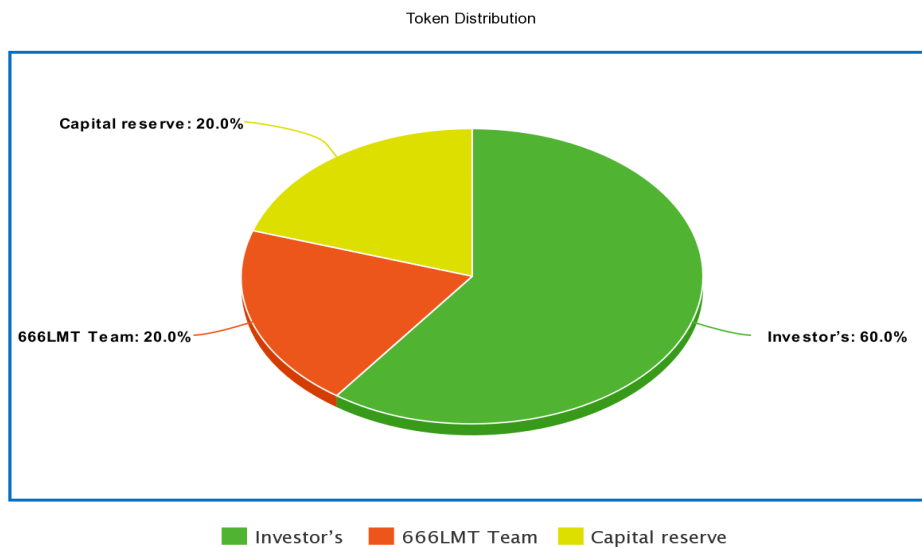

20% Reserved as Capital to pay for day-to-day operations and to fund future growth.

The max supply=2Trillion token's

Circulating supply=1Trillion token's

What's token distribution?

Token distribution is an integral part of tokenomics research. It describes the proportions in which different groups of users and investors own blockchains tokens. You can consider token distribution as a pie chart where each piece represents a specific group's ownership of the project.

Lizard Secret Society virtual world/Game

666LMT 1:1 unique Land piece's/character's that will be featured in our world/virtual reality game, all holders of a 666LMT land piece via our nft collection will be granted a membership pass to access the Lizard Secret Society world.

Lizard Secret Society Virtual Reality World, a society in the Metaverse world giving investor's opportunity to invest between Crypto and the Real Estate Market.666LMT was founded with one vision in mind. Make property ownership easily available to the masses. Forming the most limitless venue to buy Real estate. Lizard Secret Society will include some of the characters/Land pieces from the nft collection to the virtual world, giving our nft's utility behind them.

PRESALE PHASE

Creating a cryptocurrency is a costly endeavour. Developers must pay for legal counsel, programmers, facilities, and other expenses

666LMT presale phase is to raise capital to fund future operation's and to fund future grown. All funds raised from the 666 LMT Nft collection will go into the development of the 666LMT Virtual Reality World/Game and small amount into reserve capital. The presale is chance for early investors to buy shares/tokens at initial floor price.

What's a Ico?

Early investors in an ICO are usually motivated by the expectation that the tokens will gain value after the cryptocurrency launches. This is the primary benefit of an ICO: the potential for very high returns. Creating a blockchain and cryptocurrency is a costly endeavour. Developers must pay for legal counsel, programmers, facilities, and other expenses. An ICO is intended to raise funds to pay for the costs incurred during 666LMT development.

This main stage is to expand the 666LMT community, product, bringing awareness to non-crypto Investors.

Lizard Secret Society Merchandise

666LMT will be releasing branded merchandise including hats, t-shirts, jumpers, via the official website the only way to purchase our products is with 666LMT token's being the only form of payment. 666LMT merch will be branded with the Logo/character's from the Lizard Secret Society Nft collection.
