

## ATTORNEYS LIST

### Important Information

*“The U.S. Embassy Bogota, Colombia assumes no responsibility or liability for the professional ability or reputation of, or the quality of services provided by the following persons or firms. Inclusion on this list is in no way an endorsement by the Department of State or the U.S. Embassy. Neither the Department of State nor the U.S. Embassy can serve as your legal representative. However, any other services or assistance that you may require from the U.S. Embassy is not conditioned upon engaging an attorney from this list. Names are listed alphabetically, and the order in which they appear has no other significance. The information in the list on professional credentials, areas of expertise and language ability are provided directly by the lawyers. This list is not comprehensive, and you are free to engage an attorney of your own choice, whether or not that attorney appears on this list. We encourage you to conduct your own research before hiring a legal professional. You may receive additional information about the individuals by contacting El Consejo Superior de la Judicatura.”*

If the city where you are located is not listed here, you can contact attorneys in other cities close to your location; most attorneys or law firms are willing to take cases within the region.
