

Hello,

As you may know, I'm Liz and I am the owner of Hubbub Out of School Club.

You have tasked us with the important job of collecting your child/children from school, so I wanted to take the time to introduce my staff to you, so that you have a point of reference for who may be collecting your children and confidence in the collections and care we provide your children.

	<b>Liz:</b> I have over 18 years of experience within the childcare sector. I am a mum of 3 and when my eldest started school, I saw a gap in the market and created Hubbub. I also hold a Level 5 in Leadership and Management within the childcare workforce.	<b>Dave,</b> our deputy manager has a passion for cooking and providing healthy homecooked meals for the children as well as teaching and supervising our sportier activities.	
	<b>Laura</b> has been working with us almost since the start. She also works as a Teaching Partner at Temple Grove Academy and oversees the collections from the school.	<b>Lesley</b> has been working with SEN children in school settings for 23 years and is now helping us with school collections as well as providing bank cover within the setting. She is our Lead DSL and H&S officer.	
	<b>Michelle</b> previously worked as a childminder for 10 years before deciding that she would like a change in her career. She is Level 3 qualified and is one of our deputy DSL's.	<b>Chris</b> has been with us for a couple of years, he enjoys teaching and coaching the children in Football and other Sports. He is also our First Aid Co-ordinator.	
	<b>Hayley</b> joined us earlier this year and is a mum of 4. She enjoys doing arts and crafts with the children and putting on baking activities.	<b>Jade</b> started with us back in 2022 she was looking for a second job that fit in around her son who starts school this year. She is the Deputy Manager of our SKPS site.	

These are our main collections staff; we do have a couple of parent volunteers who will sometimes accompany these staff or collect on our behalf when ratios require.

All our staff are easily recognisable within the school grounds as we wear orange T-shirts/ Hi Vis with Hubbub Out of School Club written on the back along with our orange staff lanyards. We may also bring Hi Vis for the children to wear whilst with us. If we have collection points within your child's school, we shall let you know. Otherwise, we will collect your children from their classes/ teachers as per the school's collection guidelines.

All our staff and volunteers hold a valid DBS and have had Paediatric first Aid Training.

Kind regards

Liz Hawkins
