From the Pastor..

Welcome Harvest View Family, visitors, and anyone searching for a place to belong. No matter where life has brought you from, we are grateful you are here and pray you feel the love of Jesus Christ among us.

God created His people to walk together in unity and love. In a world filled with division and uncertainty, the Church should remain a place of encouragement, restoration, and hope for all who enter.

“Be devoted to one another in brotherly love; give preference to one another in honor.”

....Romans 12:10 (NASB2020)

The love of Christ shines brightest when we care for one another.

Call to Action for the Week

Reach out to someone this week with encouragement, prayer, or a simple act of kindness.

Love In Christ,
Pastor Brent

Memorial Day

As we celebrate Memorial Day, it's important to remember that this holiday is really about honoring the men and women who died while serving in the U.S. military, especially those who never made it back home. To truly recognize the meaning of the day, you don't have to do anything huge. You could visit a local cemetery and place a small flag or flowers on a veteran's grave, or stop what you're doing at 3:00 p.m. for the National Moment of Remembrance. You might also thank a Gold Star family member, someone who lost a loved one in service, and let them know their sacrifice is not forgotten. Even a few minutes of silence or a simple prayer for the fallen and their families can make a difference. Small, thoughtful actions like these help us remember the real cost of freedom and honor those who gave everything.

Notice from the Bulletin Editor: *There will be no "The Vine" next week, because I'll be at a family reunion and completely missing my deadline, but if you've ever wanted to learn **Canva** while saving me from a shame spiral, here's your chance to step up for just one week (training provided, zero judgment guaranteed). Thank you for your understanding!*
