Please Help!

Harvest View will be hosting an Easter egg hunt on Easter morning at 9am! We would love for you and your family to join us for this fun-filled event. In order to make this event a success, we are kindly requesting your help. We would appreciate it if you could bring some plastic Easter eggs and some goodies to fill them with. Your contributions will help make this event a memorable experience for all the children that attend. Thank you for your generosity and willingness to help. We are looking forward to seeing you and your family on Easter morning.

From The Pastor:

With Easter fast approaching, I want to take a moment to remind you of the amazing love that Jesus Christ showed us through his incredible sacrifice on the cross. This is a time of renewal and rebirth, and I hope that it fills you with a sense of hope and joy.

At this time, let us come together as a church, just as Jesus taught us, and spread love and kindness to one another. Remember that we are all brothers and sisters, and we are all loved by God, no matter our differences.

So take some time to reflect on the significance of this beautiful season, and may it bring you all peace and happiness. Let's celebrate this Easter with a heart full of love and compassion, just as Jesus did.
