

Education Can Provide The Preconditions For Inclusive And Active Citizenship

In-Person Parallel Event

The Canadian Federation For Citizenship

March 7, 2023
12:30 PM EST

New York City
CCUN 8th Floor

Erin Dueck

Executive Board Member, Canadian Federation For Citizenship

www.cfc-fcc.com

Agenda

- Changes to the digital space within my career
- Digital and Global Competencies
- Student and youth preparedness in a tech driven world
- Communities and individuals being left behind

Changes in Digital Marketing

Digital Competence

Knowledge

The awareness of new technologies and how they can usefully support an existing workflow process

Skills

The ability to use a variety of applications to create or edit different forms of multimedia

Attitude

Ethical considerations in relation to what should be produced and shared, seeing the value in tech

Technology at School

**Critical Thinking and
Problem Solving**

**Innovation, Creativity
and Entrepreneurship**

**Learning to
Learn/Self-Aware &
Self-Directed**

Collaboration

Communication

**Global Citizenship
and Sustainability**

Being Left Behind

- Lack of access leaves these communities without essential online services
- This time last year, just 24% had access
- Those that do have access, took matters into their own hands

Being Left Behind

- Many new grads have higher tech literacy
- The right attitude towards changing technology
- Teaching with a different approach

One-on-one t

Video Tutoria

Step-by-step

Conclusion

- Access for Rural Communities
- Skills, Knowledge and Attitude
- Introducing Tech at a Young Age

Thank You!

Wishing Leaders and Delegates a Constructive CSW67
