Weekly Highlights

Celebrating another week at Camp Rena!

Accessories

This week in accessories we had such a fun time! We made super cute charm bracelets!! Every single bunk will be making the same bracelet, this way the WHOLE Camp Rena will be walking around with the same special bracelet!! Every bracelet has a fancy Rena charm that the girls are wearing with pride! We are so excited to continue making bracelets, and other great accessories!

Have a great Shabbos!

Love, Devorah & Tali

Ballet

What an exciting first ballet session we had! Every alternate Tuesday we have Elisheva Berkowitz, a professional ballerina, working together with our Nursery, Kindergarten, and Pre 1 Bunks. The campers had so much fun learning new ballet moves, and they can't wait to show them to you! Everyone is so eager to learn, and they are great listeners! Looking forward to seeing our beginners turn into real ballerinas!

Keyboard

A huge welcome to each and every special Rena girl! This week in keyboard specialty we learnt how to read notes and how to play them on the keyboard! How awesome is that! Each girl is really doing an amazing job, and we are so excited about all the musical talent in Camp Rena! We are thrilled to have our campers gaining and learning new skills each and every day!

Music N' Movement

Welcome back to another summer of great fun in Camp Rena!!!! Although this week was a short one, we really sang and danced a lot! There are so many camp songs that we are learning and practicing each day multiple times. We really enjoy all the songs, and it puts a smile on our faces to watch each and every camper sing and dance so eagerly. Looking forward to having an amazing summer together where we all can just let go, dance and flow with the music!

Weekly Highlights

Celebrating another week at Camp Rena!

Team Building

New to camp Rena and extremely popular, Team Building is loved by all! In team building, we have many different fun activities for all different ages, but they all have the same goal. We are working together to create a strong team ethic! We're learning in action that if you want to go fast, go alone. If you want to go far, go together! Team building creates stronger bonds among the members of a group, where we learn to respect each other, their differences and share common goals and expectations.

Looking forward to learning and gaining a lot together this summer!

Mindy and Aliza

Arts N' Crafts

This week was a very exciting first week of camp! In arts n' crafts, we made a beautiful jewelry tree. The girls got to paint the tree and decorate it with pearls and diamonds. Everyone was excited to take their projects home and felt very accomplished. Enjoy your jewelry holders and I'll see you next week with another beautiful project for you to make!

Sports

SPORTS 2021 is finally here!!! Our campers are really enjoying the physical outlet, as well as the mental benefits that come along with it! We do the typical games like basketball and machanayim, but in Camp Rena we do even more!

One highlight of the week we had in sports this week was our escape the room! The entire gym was set up to look like a circus themed escape the room, and the campers worked hard together to be able to get out in a timely fashion. They really used their minds and body, and were extremely successful! They were so intensely engrossed in their mission, and they had the time of their lives! In sports, there is no such thing as losing; losing is only when we stop trying!

Looking forward to having a fun and sporty summer together!

Dance

Hello hello to all you delicious Rena girls! What a fun, energetic and exciting first week we all had! Each bunk learnt an awesome dance and I was so impressed by each girl!! You're all such good dancers, and you catch on so fast! Looking forward to another week together where we all can just let go, dance and flow with the music!

Teen Highlights

What an amazing start we had to the most awesome camp in the tristate area!

It was so exciting to meet everyone at the beginning of a fresh and new summer. So many new faces to get to know, and some very familiar. We're so excited to have an amazing summer together!

The first day of the camp season was on Tuesday, and it was a day to remember! We played a get to know you game, and learned all the camp song motions. We had so much fun working together in team building, where we played elimination. We had a special painting activity, where we creatively used our artistic talents, and we came out with beautiful creations. To top it all off, we also had an amazing surprise magician show which we all enjoyed immensely! It blew us all out of our seats! We had a great first day and couldn't wait to return for another day!

On Wednesday, the CITgirls got their Teen privilege - we were assigned jobs to work and help around in camp, as counselors in training! Yay! We are officially the Rena CIT's! We also went swimming in the large and beautiful Kingsway pool. It was so refreshing in the 95° weather!! In arts 'n crafts we made a jewelry tree which we're excited to use and display all our gorgeous jewelry!

The week flew by so fast, and to add to the fun, we went to The Beast on Thursday. It was a blast, and a real thrilling experience! We got to tour NYC on a speed boat where we got totally soaked to cool us down! The trip marked the beginning of the new summer which we're so excited for!

In accessories we made a beautiful project that we can't wait to bring home and show off. We twisted our way through gymnastics, and ended the day with an awesome main event!

There are so many fun surprises awaiting our campers! Looking forward to having a summer together!

Life of the party!

Gymnastics Showcase

Renastics takes the medal!

Wow! It's finally opening week for Camp Rena's exclusive Gymnastics program- and guess what we call it? R&NASTICS!! We already see so many girls improving in their gymnastics. Starting with the very beginners who didn't yet know how to do a handstand and cartwheel, we're seeing so many girls getting very close to hitting their goals and achieving new skills! Moving on to the more advanced girls that are doing back walkover and back handsprings, their techniques are improving tremendously with the help of all the coaches. All the campers, even the little preschoolers, are very cooperative, and they listen to instructions so well. Our lively Renastics students are working so well with the coaches, and we really enjoy working with them..

Looking forward to celebrating many gymnastic milestones together this summer!

We are all building our muscles and getting stronger and stronger! Next, we had the most wonderful, wet, watery, waterslides! Such refreshing fun! We also had a really nice time running around and chasing each other at the jungle gym. We had a super fun first week at Camp Rena and we can't wait for more!

Morah Batsheva Fogel

Welcome boys to KB!!! We had a great first week of day camp here in Camp Rena! On the first day of camp, we had so much fun playing in the jungle gym! We got to let out our energy indoors after we loved the playground as well. On our second day, we had so much fun on the waterslides! We splashed and got wet and it cooled us down on those really hot days! On the third day, we had so much fun baking such yummy food, and we finished up our artwork projects!

We are looking forward to spending a great summer together full of fun and excitement!

Have a great Shabbos!

The Fun Never Stops at BalleRena and Renanim!

Welcome home all our yummy nursery campers! We were so excited to finally greet you bright and early on Tuesday morning! We've been waiting for this for so long! When we got to day camp we began by learning how to daven, just like big kids! We felt so proud! Then we had a blast running around and climbing in the jungle gym. We did good exercise! In baking we decorated cakes to look like a beach with delicious icing and gummy things on top. We learned all about Hachnosas Orchim in shiur, and how to make our guests feel the most at home. We even practiced by inviting KG to come over! We got really good at doing the obstacle course while we were at gymnas-tics. Did you know that we love arts n crafts? We had so much fun making pretend balloons and we can't wait to come home with our finished projects! We love nursery in Camp Rena!
Can't wait to see you all next week!

Welcome to KG!!! We had such a wonderful start of the summer with the eager Kindergarten girls! We began with fun games to help the girls get used to the envi-ronment. We can't wait to get to know each other and to make new friends. When we came to camp we davened and we ate breakfast. We had so much fun at the Jungle Gym!! Running around and having fun is what we love to do! And then of course we were more than ready for some amazing sprinkler fun! It was so refreshing and it cooled us off. Some brave girls even went under the umbrella and had the time of their lives! This week we also had ballet, dance, and gymnastics, where the girls partici-pated so nicely. It's so much fun to twirl and jump like real Ballerinas. Here at Camp Rena we are living it up and being the best we can be! We are looking forward to a fantastic summer together!

Love, Morah Chani, Morah Malka, Morah Sara, Morah Penina

Inspiration Celebration

This week in Shiur we learned that a small act of kindness can make a very BIG difference in somebody's day! A small act of kindness is a BIG Chessed. Even if to us it seems insignificant, we can't know how it will impact someone else. It's so worth the little effort on our part to make another's day!

We know this from Pirkei Avos where it says *Al sh'loshah d'varim haolam omeid Al hatorah, v'al ha'avodah, v'al g'milus chasadim...*

The world needs Chessed in order to exist!!

In order to put this into practice right away, we made Chessed bags - B.A.G. - Be A Giver. Each girl put a note and Heart Shaped Lollypop into her bag to give to somebody else to sweeten up her day!

We also received our very own personalized Rena bracelet which we will be wearing throughout the summer! Each week a new custom charm will be added!

Looking forward to another giving week together! Gut Shabbos!
Mrs. Rena Hagbi

To earn a charm on your Camp Rena Charm bracelet, please write about a small act of kindness that you did for somebody, or that somebody did for you.

Poem of the week

Life is dark and dull and grey
I groan when I wake up each day
I know that no matter how hard I try
Nothing will work. I don't know why.
Nobody cares about little me
Sometimes I think they don't even see
Whatever. It's fine. I don't care
In life, I've learnt, nothing is fair.

Life is colorful and bright,
Everything is going right
And even if it seems to be wrong
'ה is watching me all along
No matter what will happen to me
'ה cares! Don't you see?
I feel so happy every day
ב"ה I always say
My life has meaning, I have what to do
שמחה can change your life. It's true.

Mazel Tov! It's a Celebration!
