MYSTERIES REVEALED!

Scripture: Dan: 9:22

Chapter: Rev. 10th chapter

Memory Verse: Rev. 12:5

Now the angels whose wings are fully loaded with the **Man-Child Spirit**, have been given the blessing of approval by the Ancient of Day's, to seek out one that would be worthy to receive this blessing. It fell to a person of lowly estate, a man with a third grade education. The **grooming** of this divinely chosen servant has begun. He will now be **schooled through visions and dreams** by this angel **to know and fully understand both the kingdom of God and the kingdom of darkness**. Here is the experience of **James T. Webb**. The **Man-Child Spirit** created by the Wisdom of God has now been merged with flesh and blood. The knowledge of Bro. Webb grooming by the divine angel was shown to John the Revelator, 2000 years prior to its occurrence. They revealed to the Prophet Webb the contents of **The Little Book with Seven Seals**. By vision, the prophet saw **three books stacked on top of each other with a little book on top**. Here, we have **old and new testament with the Apocrypha and another little book on top which holds the mysteries of God**. John was shown these things and told to eat it. Yet, he was not to write what was shown to him. He was told to **seal up those things and write them not!** Through **mental consumption**, **The Little book of Mysteries** was given to Bro. Webb. This caused a **Rebirth of Knowledge in his mind** and a **Renewing of Spirit!** This is when the Prophet James T. Webb became **the Man-Child** which means: **First Born of Wisdom!**
