

THE LITTLE BOOK OF THE SEVEN SEALS! CLASS PART 7

Scripture: 2 Thess. 2:4

Chapter: Rev. 17th

Memory Verse 2 Thess. 2:9

The New Worldwide Religion will rise up after the Fall of Catholicism! After the dark day all will know the truth about the falsehood of Catholicism. Here the devil will set up a system in the image of the first Beast! At this point we will notice three cartoons: The one of the devil in **Rev. 12**, tells us that the Great Red Dragon is that old serpent called the devil and satan, which deceives the whole world. Our next cartoon is the two-horned beast of Rev. 13th, this is the USA in prophecy; who under the Man of Sin shall speak as a dragon; which is the devil against the Saints of God! Now, the cartoon of **Rev. 17th** chapter is the satanic system of false religion headed by the Man of Sin. The great whore is the world church and the nation are made drunk from her deception! Before we go on let all be clear that during the time of the Prophet John, five kings had already fallen, he was in the time of number six and number seven, was to come later! This is the complete history of the nations as it relates to the saints. Now the type of government here is more important than the individuals themselves, for one can carry the other's policies. So, when it mentions seven kings, we are talking type of governments. Here, **five kings or types of governments** had already fallen, He was living in number six, which was **Rome**; history tell us this is **Pagen Rome**! Rome remained in power but changed its policy and became **papal Rome**. The seventh, A religious power which ruled the world through the church, which is Catholicism. Now we have the policies of the eighth beast, **Mystery Babylon**, because he is of the seventh!
