“Salutation to the Wisdom of God Most Holy” Part I

It is with great pleasure and gratitude; that I solicit your most sincere devotion to the Wisdom of God Most Holy. I acknowledge an excellent revelation from God in respect to heavenly personnel. The Holy Father spoke in his prayer, on our behalf saying, *“And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent.”* Here we find that it is God’s will; to make known unto us the personnel of the high and holy throne of God. With meekness and humility, I accept this divine knowledge, yet I cannot see myself worthy of this divine blessing. Therefore, I order my soul to deep fear of God, and I pray that you order your soul in like manner, that we all may be perfectly free from pride; being human beings and the baby of God’s creation. As a mother holding her child to her breast in tenderness and love, while Christ God Most Holy, shares with her; this is the manifestation of the full power of love. There is no greater love in the vastness of the universe of God, than that which was manifest in Christ and the Wisdom of God. To know the full personnel of God is life eternal. This mystery has been hidden from the foundation of the world.

“Salutation to the Wisdom of God Most Holy” Part II

The word “Mother” is sweet indeed; it is she who bears the pain of delivery, of all whom are born. The virtue of her in the flesh is love, pity and tenderness, with untiring effort towards the good of her children. She asks so little, and gives so much. Our first experience of motherhood is in the flesh, all are commanded to honor her. This commandment is binding upon everyone. After honoring our earthly mother, we now acknowledge our heavenly mother, with an upward look on bended knees; towards the throne of God. **“Behold, your mother”**, it is with these words that Christ acknowledged Mary, his mother of the flesh. At this time, this mystery is revealed to us, “Behold your heavenly mother, the Wisdom of God Most Holy.” There are no words of honor good enough in human language, to express the majesty of her glory. As we worship her in truth and spirit, our devotion is welcome in heaven, at the throne of God, where Wisdom dwells. She was with God in the creation of man, ordering all things concerning him, for man is her baby of creation. It is said that “Her delight is in the children of men.” In our prayers and supplication, we must mention her, and in our joy in the spirit, we must glorify her.

6. Speaking further on her riches and honor, why is it always better to obtain wisdom? Proverbs 8:18-19

“Salutation to the Wisdom of God Most Holy” Part III

Wisdom stood by Christ even before he began his works, and rejoiced with him in all things, these two are one being. She is the other side of God Almighty from whom the issue of beauty, love, mercy, pity, wisdom, peace, and life flows. This is one of the mysteries, which was hidden between the covers of the Little Book of the Seven Seals, unto this our day. She is God Almighty, the creator of all things, and upholding of all things, infinite in all power, might, and glory. The Wisdom of God is not a human being, but God most gracious, whose wisdom has no limit. To her the forces of darkness are an open book, they have no secret that she has not known, and there are no mysteries before her. We must see her as God, standing with the creator, for she of truth, is the other side of God that we have not known, ***“for thine is the kingdom and the power, and the glory forever, amen.”*** In mentioning the name of the Father, the Son, and the Holy Spirit, you are addressing her. At this point, you above all have this knowledge, in your devotion; you worship the full throne of God.

1. What is the first step of man, whereby he may obtain wisdom? Psalms 111:10
2. Who shall bring man to the knowledge and understanding of life? Proverbs 9:10-11
3. What blessings will we receive from Wisdom, in the form of rain? Ecclesiasticus 1:19-20 (Apocrypha)
4. Who are the children of the Wisdom of God, and who shall she dwell with? Ecclesiasticus 24:8
5. What is said of the mother in this text of scriptures? Revelation 12:1-2 *Note: Her children are brought forth by a rebirth of knowledge.
6. Seeing that the children of Wisdom are born by knowledge, what is the warfare between them and the dragon forces? Revelation 12:17, and (Ref.) Genesis 3:15
