

THE LITTLE BOOK OF THE SEVEN SEALS! CLASS PART 8

Scripture: 2 Peter 3:10

Chapter: Rev. 6:12-17

Memory Verse: 2 Thess 2:8

The Great Resurrection Day, which will come at the **opening of the Sixth Seal!** This is the **Hope of the Righteous** covering all times! Peter lets us know how **this hour will catch the World!** It will find ***the world worshipping, and praising the Man of Sin***, as he does ***miracles and lying wonders*** that captured the minds of the whole world. He will carry out his ***wicked deeds against the saints*** by the governments of the world. **They shall be slaughtering the saints, persecuting and boycotting them!** Then suddenly, the **Sixth Seal**, is opened by a **great earthquake**, followed by a great darkness of the sun. During this great darkness, the Lord will open the heavens and **the whole world will be able to see Christ sitting of his throne!** This is **the great and terrible day of the Lord!** The wicked people will run to the mountains begging the rocks and mountains to fall on them **trying to hide from God. Just how long the Lord will permit himself to be seen by the wicked we don't know.** But the wicked will have time to run in fear with nowhere to hide! As the heavens are opened this affects the mountains and islands of the sea. **All persecuting of the saints, is cut off forever.** Then Christ will move toward the earth upon a **mighty cloud to the resurrection of the saints.** This is called the **General Resurrection!** **Only saints take part in the event.** The wicked gets their resurrection under the **Seventh Seal.**
