

GREETINGS SAINT'S

THE DEITY

PART ONE

THE ANCIENT OF DAYS

Scripture: Dan. 7:9,10

Chapter: EZ. 1:15-28

Memory Verse: St. John 14:6

Blessed to know his name, He is the **Mighty Father of Spirits**. He is the "beginning" of all things that are in existence. He is the **complete circle of eternity** and He has **No End of Power and Majesty**. He is known as the "**Ancient of Days!**" The Lord Jesus Christ referred to him as "**Our Father which art in heaven!**" The bible reveals to us that He has a **Movable Throne with Fiery Wheels** that are many legions of angels moving at incalculable speed, in a circular motion. These angels were created by Christ, made to serve and worship His Father, **The Ancient of Days**. Let us close our eyes and pray that our simple minds can perceive to discuss our great and majestic God. Now when we think of the **Ancient of Days**, the **spirit of Wisdom** carries our mind before the **concept of existence** and before either of the two beginnings. Wisdom now takes our mind into the **circle of eternal being**, called the **DEITY!** Imagine you tracing the bottom of a round can on a clean sheet of paper. As you trace, you notice the formation of a circle. As your trace becomes more and more intense, you notice it has **no beginning or ending**, neither is there any entrance into the circle, for it is complete and whole. Outside of this circle exists nothing. You then draw the word "**Deity**" inside of the circle.

1. In the prayer that the Lord left for us, by what words of honor and worship, did he use in addressing his Father? **Matt. 6:9**
2. In speaking of the **Ancient of Day's**, What is told to us about the "**concept of existence**" which is also the beginning of all beginnings? **St. John 1:1,2**
3. Mother Wisdom reveals to us through knowledge and understanding the **Deity**, What further statement is made concerning the **Word of God**? **St. John 1:3,4**
4. As we continue to be amazed, at the treasures made known to us, what is said by Christ that directs our attention to the Deity being a complete circle? **Rev. 22:13**
5. In answering Phillip on the questions concerning his father, What was Christ's reply? **St. John 14:8,9**

PART TWO

Scripture: St. John 8:58

Chapter: 1:9-17

Memory Verse: St. John 1:3

"THE BEGINNING!"

"In the beginning, God created heaven and earth." Here we see was the beginning of the universe we live in which is the **second beginning** or the **fourth by-product**. Regarding the **four by-products**, understand that in creation, the **spirit of God** moved upon the **Great Void of Nothing** and gathered what we refer to as **Neutrons, Protons, and Electrons**, this **Nothing** is the **first product of Invisible Materials** that are all **electronic** in nature being gathered or united together, they became the **something**, or **second by product**, which we refer to as **matter**. From this **matter**, God did create **thrones, principalities, and angelic powers**. God did use the **great light of his body** and **this light produced great heat**, which he used to fuse these **electronic-natured elements**. Now from these gatherings from the **particles of nothing**, a **third by-product** was created from the **sweat of the great heat** used in creation. Wisdom shows us how God once again applied **the great light from his body** to the **sweat or liquid substance** left over from the creation of the heavens. This **sweat** created the **great deep**. The **great deep** being a **lesser substance or by-product** of that material used earlier in creation. This was **boiled**, leaving a **film-like substance** on top. This film cooled off from **the great heat** and became the **fourth by-product** that we call **land and dust...and this made humankind!**

1. We being blessed with the knowledge of the secrets concerning the beginning, What understanding, do we have as it relates to the **creation of the first day?** **Gen. 1:1-5**

4. What additional revelation is shown to us about the **Word of God** in creation? **II Esdras 6:38**
5. Given thanks always to the full throne of God, What was the **Power** that began everything? **St. John 1:3**

PART 3

Scripture: Rev. 4:8

Chapter: Ez. 1-18

Memory Verse: Psalms 104:4

FIERY MATTER!

We see clouds and elements, all created within this universe and for this universe alone. *"In the beginning was the Word, and the Word was with God, the same was in the beginning with God. All things were made by him and without him was not anything made that was made."*

This beginning here refers to the **first beginning or angelic creation** by Christ and Wisdom. Mother Wisdom directs our thinking to the term, **"All Things,"** which reveals the Lord's work of creation. Understand that the actions of the Lord God in creation caused *a spinning of invisible materials*. Thus, from this spinning action sprang *forth-continuous material*, which we see as **by-products** of the previous material. She would have us to be clear and understand that in creation, the **spirit of God** moved upon the *Great Void of Nothing*. This creation included **thrones, principalities, vast universes, and angelic powers**, which were not created as part of the second beginning but the first. Again, these creations were not created for the universe in which we live, but on a different order of creation that placed them in a different dimension. Here are creations made from the **second by-product of fiery matter**. Thus, the *angels were created from the fiery matter*.

1. **Deity:** means the state of being God, the Godhead, and the Divinity.
 2. **Concept:** means, (1) an idea or thought, (2) a general notion.
 3. **Existence:** means, The STATE OR FACT OF BEING, CONTINUANCE OF BEING, THING THAT EXISTS!
 4. **Presence:** means the state or fact of being present, in attendance,
 5. **Dimension:** means any measurable extent, such as length, breath, thickness, sound, height, or sight.

 4. As the angel explained that the prophecy does not come from him, What are the steps of this process? **Rev. 1:1**
 5. In that we are the baby of God's family, What encouraging and supportive words are given to us? **Heb. 12:1**

GREETINGS SAINT'S

PART 4

Scripture: Eph. 3:14, 15

Chapter: St. John 17: 1-8

Memory Verse: Colossians 1:15

THE WORD!

Our prayer is that God, will guide our every thought as we bend our ear to listen to the voice of Wisdom. She shows us how **His power** did travel in a **perfect circle of Eternal Force**, which he refer to as **Love**. This **Great Force of Love**, being boundless and limitless, is the true makeup and expression of the **Ancient of Days**. Therefore, we must take note that, as we look upon this **Divine Circle of Love and Power of the Ancient of Days**, He has **No Limitations of Being, or Intelligence**, He is **total in totality**, and **Perfectly Free to express the Bondless Force of Love!** From this makeup of eternal power and might, with unlimited knowledge, came forth **an expression**, which we refer to as a **Word**. This word was again the total expression of all the force and makeup of power within this **perfect circle of Spiritual Love!** Dear friend, you are looking at the **Elders of Power**, the Truth to the first expression of the **Invisible Image of the "Ancient of Days," God the Father!** His totality of majesty has become a living being, visible only in the first Dimension, which was before the **Concept of Existence!** It is impossible to know the Father, to understand His being or to discuss his Majesty...**except through Christ**. Through Him, men might perceive the **Door of the Mystery concerning the Ancient of Days**. Let us imagine a **two-way mirror** with a light behind the mirror. As we stand afar off, staring at the mirror, we may see our own reflection. The closer we get to the mirror the more improved our reflection. If we get close enough, we might see past our reflection to see the light behind the mirror. This is such as it is with Jesus Christ, and His Father, the Ancient of Days. As we draw nearer to Christ, and we are allowed to do so, through Christ we will see the **Father of Spirits, the Ancient of Days!**

1. Understanding first, that the only way we could entertain this discussion, about the Ancient of Days, we must be blessed with **Manchild Spirit**, What is said before the mountain of Zerubbabel? **Zec. 4:6,7**
2. Speaking further of the knowledge passed on to us, By what means are we able to see the Ancient of Days? **Matt. 11:27**
3. Now with the knowledge of the Father, How far reaching is his Great Love? **St. John 3:16**
4. As we are aware, the **Plans of Salvation** was made by Mother Wisdom, Explain why the **Word of God** is wearing a **Bloody Vesture?** **Rev. 5:6**
5. Understanding that the **Vesture** is the **Resurrected body** worn like a shirt, How is He viewed by all in Heaven? **Rev. 19:16. Ref. 1:8,9**

QUEEN OF HEAVEN

Scripture: Pro.8:17

Chapter: Wisdom of Sol. (apoc)7:14-30

Memory Verse: Ecclesiasticus 24:1

Her beauty is beyond all that one might think is valuable. By the Power of her Majestic Virtue, She penetrated the very being of "The Word of God" and examined his thoughts to create. It was She, that designed the creatures and kingdoms. The Lord thought to create before the foundation of the world for the glorification and service unto the Ancient of Days. She is dressed in Light and that Light is Knowledge, Wisdom, and Understanding. She placed Divine Order to all God's creations. The Mother and Queen of all the saints and angelic forces saved men from eternal destruction and damnation by the Salvation Works of the Word of God! She is the Woman of Revelation 12th chapter, that designed and empowered the whole plans of salvation. She is the author of "The Concept of Existence"! She reached her mighty hand into the Father's "Eternity" and designed the "Concept of Time." She gave shape and form to all things created! We cannot give her enough praise and honor. We cannot state the words that She is due! This letter, introducing us to the Deity of God, is by her design and is of her doing. We can but thank her from the depths of our soul and give praise to the Almighty Wisdom of God!

GREETINGS SAINT'S

PART 7

THE DEITY

MELCHISEDEC

Scripture: Job 1:6

Chapter: Gen. 14:17-20

Memory Verse: Heb. 7:3

Mother Wisdom directs our minds to our spiritual uncle whose name is Melchisedec. Likened unto the "Word of God and Mother Wisdom, he, Melchisedec, came out of the mouth of the Ancient of Days. He is the totality of the power of good called righteousness. He is the second son brought forth out of the mouth of the Ancient of Days. Mother Wisdom directs our minds to the phrase, by interpretation, "King of Righteousness." This statement validates that Melchisedec emerged from the interpretation of a spoken word out of the mouth of the Ancient of Days. This was the result of an unidentifiable language, known only to the Ancient of Days. Yet, we have interpretation which means "King of Righteousness." The other phrase we notice, *"Without Father, without Mother, Having no beginning of days nor end of life."* These words validate that Melchisedec is an eternal being. Also, notice the phrase, *"made like the son of God."* The plans of salvation did not call for another divine being to be born in the flesh. Melchisedec was sent to bring down the priesthood to Abraham. He being the priest in heaven.

1. As we stand in awe of our mighty God, and he reveals the Deity family, Give both the name and job title of this Divine son? Heb. 7:1
2. Making sure all are clear, Melchidec was priest in heaven and he brought the priesthood to man, Describe the interaction between him and Abraham. Heb. 7:2
3. Understanding that there are no limits or boundaries to the powers of any member of the Deity, What are the three mysteries that prove that Melchisedec was not part of mankind. Heb. 7:3
4. We know man is limited in his ability to travel through dimensions, Give an itemized account of the events taken place and what was said of the fourth person in the fire? Dan. 3:24, 25
5. Christ being the High Priest, was crowned by the Ancient of Days, What word is used giving us the understanding that God has other sons? Heb. 1:8,9
