

## FROM PANIC TO PERSECUTION!!!

### PRAYER:

Dear Jesus Christ, our Lord and Mother Wisdom our Queen, we thank you for all the love and patience you have shown us. We are so unworthy of all your many blessings, but we thank you for all things, great and small! We ask that you continue to cover us with your wings of love and drench us in the blood of Jesus! Strengthen us, dear Lord, give us courage and ears that are not dull of hearing and eyes that are not blinded by the cares of this world and by the pleasures of this life. Allow us to see the deception of this world's goods and the 'carnival-listic mirrors' that are used to mask and trick our senses. Guide us through this storm, light our path, make all things clear to us as to how the forces of evil use our own fleshly desires that cause to lead us against thy holy law, **Exodus 20: 1-17**; and thy holy testimonies. **Matt. 5: 2-12**. **As the wicked grow evermore wicked, increase our understanding our wisdom and our fear. Let us not assume anything but let us weigh every action according to the commandments of God and the Testimonies of Jesus! We know, dear Lord in thee we will be victorious, because you said it so! Rom. 11:26—And we believe in thy word and trust in thy word alone! Amen!!!**

### Scriptures:

**Eccle. 3:1-8—Key into the scripture: “A time to kill; a time to weep; a time to mourn; a time to Hate; and time of war!”**

**Dan. 12:1—And at that time shall Michael stand up, the great prince which standeth for the children of thy people; and there shall be a time of trouble, such as never was since there was a nation even to that same time.**

**Dan. 7: 25—And he shall speak great words against the most High and shall wear out the saints of the Most High, and think to change laws and times: and they shall be given into his hand until a time and times and the dividing of time.**

**Rev.13:11—And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and spake as a dragon.**

**Rev. 17:17—For God hath put in their hearts to fulfill his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled.**

**Rev. 16:13—And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet.**

**Rev. 18: 1-4—Babylon the great is fallen is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird.**

**Rev. 7:1-3—And after these things, I saw four angels standing on the four corners of the earth, holding the four winds of the earth, that the wind should not blow on the earth, nor on the sea, nor on any tree. And I saw another angel ascending from the east, having the seal of the living God: and he cried with a loud voice to the four angels, to**

FROM PANIC TO PERSECUTION

whom it was given to hurt the earth and the sea, Saying, Hurt not the earth neither the sea, nor the trees, till we have sealed the servants of our God in their foreheads.

**Matt. 5:10-12**—Blessed are they which are **PERSECUTED for RIGHTEOUSNESS** sake: for theirs is the kingdom of heaven. Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake. Rejoice, and be exceeding glad: for great is your reward in heaven: for so persecuted they the prophets which were before you.

**Dan. 8:13**—And I heard one saint speaking to another saint and said to that certain saint which spoke, “How long shall be the vision concerning the daily sacrifice and the transgression of desolation to give both the sanctuary and the host to be trodden under foot?” **NOTE: the trodden under foot is in reference to the saints and how they have been persecuted and slaughtered throughout the history of the world from the foot of the cross of Christ to the Battle of Armageddon!**

Webster;

- **Fear: ungodly fear-an unpleasant often strong Emotion caused by anticipation or awareness of danger; anxious concern. Godly fear-Profound Reverence and awe especially toward God.**

**Panic: sudden overpowering terror, often affecting many people at once. Fear.**

**Persecution: to oppress or Harass with ill treatment Annoy persistently, bother!**

**Consternation: To cause someone to be suddenly and violently confused, amazed, or frustrated. To perplex, overcome with fear, to disturb greatly, make uneasy, anxious, horror, dismay, perturb, to throw into disorder.**

Visions and Dreams:

**Bro. James T. Webb, prophet of God, (vision in the 1980's): The Beast of the Sea and Reagan!**

And the Lord spoke saying, “Times shall be fierce and hard.” You must remember this **the hour of judgment** and all good times is a thing of the past. **Vision:** I saw **the dragon industry for Reagan**, as it was a pipe mill, that had all sizes of black heavy conduit pipes, some for steam and high pressure and for talking through, **as I saw a dragon lift one to his mouth.** Then I saw the works of the Lord: a furnace charging scrap steel to the melting and an animal was running back and forth on the scrap buggies making great noise with his feet. I saw **people in trouble**, trying to get out of the furnace but a **Red Mule** would lunge at them and keep them there as they cried out.

Vision 3: from the treatise called: THE WORLD IN DISTRESS/THE JUDGEMENT: I saw a mule, which is a beast of burden, with a heavy pack on his back. He was climbing up a mountain of iron net work under his feet. I saw no end. And,

Vision 4: from the same treatise: I saw two angels take up a container filled with liquid darkness and poured it upon the earth which moved upon the ground like brake water. It climbed the hills. It went through valleys all alike. I saw people come out of the mills with their **lunch bags in their hands.** I further saw **the economic world** as a plowed field by two great brown mules which walked as they will, for they were **out of control.** Christ, our God, came walking through the field and commanded an angel to go to **the industries.** I saw that the **economic world** will be **knocked off its foundation**, for this the Lord pointed out. And I heard the angel from the mills say, he was in business.

The prophet James T. Webb sent many warnings to the church in his various treaties that were left for us, pointing to the time that we find ourselves in right now, this day. It was said in his class entitled, “**AND I WILL GIVE HIM THE MORNING STAR!**” (**Rev. 2:28**); “The promises of God and the hope of our faith, as written in the word of God, the Holy Bible, is to be fulfilled at the coming of Christ under the covering of **the Dark Day**, as mentioned in the Prophecy of Ezekiel and at **the Time of Trouble**, as mentioned by the prophet Daniel. What we see here in combination is a **HARSH TIME OF TROUBLEOUS TIME in every walk of life, in every nation under the sun.**

FROM PANIC TO PERSECUTION

Plus, *a mystic darkness of the sun* will call the attention of the world to the heavens where they shall see a great display of lightning, hear bursting of thunder, and the *Voice of God set to the language of all mankind can understand.* (Rev. 11:19).

Bro. Webb spoke of a **Time of Trouble**, which is to occur during the time period of God's judgment that would be under **Three Distresses (Calamities)** on the earth. Which first start with strange *weather conditions*, followed by *trouble in the economy*, and the last distress, would be *troubles in the religious world and heavenly signs*. Each distress would become more and more **severe and grave than the first distress in quick succession!**

You can see that from the definitions, the scriptures, and the prophet's visions that we are walking into a time where the world will be **DISRUPTED!** This is not a time that can be ignored or shrugged off! (Matt. 24:3-21). But **ALL** will be affected, both man and animal will suffer for the want of food and water as in Rev. 6:8! The peace that man took for granted, that they thought would always be the norm, is slipping away and will never again return. Through the governments of man, (Rev. 13:11); man will be manipulated by **the two-horned beast** to bring **PANIC AND PERSECUTION** to the earth! Without the ability and understanding to solve their problems, (Rev. 6:5); **everything**, as we know it, **will change drastically** to a world that will be totally unfamiliar to us. For the love of many has waxed cold! (Matt. 24:12 quotes: **And because iniquity shall abound, the love of many shall wax cold.**)

Another vision of the Prophet Webb in which he heard angels singing this warning: **"It will be a panic, and times shall be furious and hard. Share food both day and night!"** This word was sent to prepare God's people for the oncoming sorrows and tribulations. He further described in his writings, *"Under the Iron Rod!"* written in 1956, that this country will no longer be considered a land of plenty, and a country rich in opportunities, but instead will be a place of **'HUNGER, PANIC, BLOODSHED, SUFFERING, AND DEATH!'** (Rev. 6:3,4). The United States will no longer be a **land of prosperity** but will be a land that will display the battle scars of the **Three Distresses or Calamities** that are destroying this earth. This land will struggle to yield the bountiful crops that it once was so proud of. Everything will be scarce. All things, in both land, sea and in the air will be hit with the iron rod of Judgment. For the Lord has removed his gentle and loving hand of protection and has allowed the forces of evil to be unleashed upon the earth. (Rev. 17:17); **"For God hath put in their hearts to fulfill his will and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled.**

At this time, the righteous shall prove their worthiness to stand before the Lord, Jesus Christ, and it is also the time where evil spirits will manifest themselves in the heart of evil men and will seek to destroy the people of God! We can see how this is occurring right before our eyes. As we strive to get closer to God in all our ways and in our thoughts and deeds, governments and lawmakers are swiftly plotting to take away our religious peace. (Rev. 12:12). They are swiftly changing laws as prophesied by (Daniel 7:25) and are viciously conniving to withdraw the promises to serve and protect the rights of its citizens in exchange for their own personal wealth and power! They have accepted the flood waters that have been belched out of the dragon's mouth and are willing participants to make war on the people of God, as in (Rev. 12:15-17)! Because of the lust of power and authority and due to the innately evil hearts of those that know not God, their purpose on earth is to cause the righteous to stumble and fall and lose their salvation!

Laws are being changed and restructured to cause a state of **"Hell on Earth!"** By way of the **United States Supreme Court, the Presidency, and the Federal Government, State, and Local Governments**, all are shaking hands and are in cahoots with this destructive force from hell. Without compassion and love for humanity, they have set out to wage war on the saints of God! Although we hear the words that are coming from these leaders' mouths, we must know and understand that their words come straight from the dragon forces that are talking through them as was the example from the vision of the prophet Webb's. (Refer back to the vision, **"The Beast of the Sea and Reagan"**)! Man is guided by spirit forces, (Rev. 6:1-6); we cannot stop the voices that come into our thoughts, but we do have the ability to choose which spirit to accept. These leaders have succumbed to the spirit of **the two-horned beast**; (Rev. 13:11). Due to the **lust for power and authority and void of all love and compassion and empathy for humanity**, they have willingly relinquished all resistance to this destructive power. They will gladly use their authority to attack the saints of God, by using the laws of the land that are contrary to doctrine; (Isa. 8:20).

FROM PANIC TO PERSECUTION

As an example of this we turn to *Daniel the sixth chapter*. Laws were changed at that time in order to destroy God's people. Again, in this our time, laws will be changed, heinous and despicable laws that will bring man to their knees.

Daniel prophesied a time like no other time on earth to come at **the standing up of Michael, the archangel; (Dan. 12:1, 2)**. This is not a joyful time, but a troublous time, but for the saints of God, we will have joy in knowing that these things must be for our deliverance. We have been commanded by God to **"hurt not the oil and the wine!" (Rev. 6:6)**. We will rejoice because with these troubles, brings us closer to our change and closer to seeing our God's smiling face!

### Ronald Reagan and the 1980s

Back in the 1980's, when Bro. Webb had the vision concerning Ronald Reagan, Reagan had attempted to sign various laws and programs during his presidency, into law, but because it was not the right time, those draconian laws against the poor was delayed until this our time. All things happen according to God's time. **(Eccl. 3: 1-8)**, and according to prophecy, certain things had to take place first. Here is a list of things that has occurred that lets us know that we are at the time of the standing up of Michael and the time of trouble:

1. The Three distresses, in the weather, economy, religious world and the heavenly signs **(St. Luke 21:7-12)**
2. The falling away of the religious world, **(2 Thess. 2:2-12)**
3. Israel going into ungodliness, **(Romans 11:26)**
4. The sealing of the saints and the winds being released, (Rev. 7:1-4). Reagan's agenda could not proceed without these things occurring.

And according to prophecy, nothing could go forth without the **"Message of Elijah!" (Mal. 4:5,6)**, **"Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the Lord, and he shall turn the heart of the fathers to the children and the heart of the children to their fathers, lest I come and smite the earth with a curse. An important point to note here is that the ungodliness that Israel experienced in the wilderness (Rev. 12:14 and 17); caused much pain, confusion, doubt, fear, and separation. And even though the spirit of controversy and hypocrisy rose up in the church. (Isaiah 34:11; Acts 8:9-11). Israel had to experience these things! Bro. Webb, had a phrase that he would repeat, "First the Church, than the World!"** We learned that what we experienced under the **spirit of ungodliness** would be poured out into the world. We witnessed firsthand what the effects of people without **the Commandments of God and the Testimonies of Jesus Christ** can have on those that fear God. Through our painful experience we can see a glimpse of what this whole world will suffer at the hands of wicked individuals that are money and power hungry. We are able to witness the lies and **ungodly fear** that is manipulating some under **the sorcery** of the former president! **(Isa. 34:8; Acts 8:9-11)**.

We thank Christ and Mother Wisdom for the **eye salve** that they have **anointed our eyes** in order to see and for making all these things plain and clear to us, for if it had not been for them, touching our hearts we would be drowning in the same flood of confusion. **(Rev. 3:18)**.

I hope that what I am saying to you is clear, for we are **"Under the Iron Rod of Executive Judgment and under this spirit comes 'Harshness, troubles, agonizing physical, mental, emotional, and spiritual pain amongst the nations!'"** Both unrighteous and righteous shall be affected. But especially these tribulations will affect those that are people of God. For truly this is **the beginning of sorrows, a time of trouble, and great tribulations; (Matt. 24:7,8)**.

### Reagan and Star Wars!

As I stated before, Reagan attempted to persuade many programs to be passed, one such program that Reagan attempted to push forward was in **March of 1983. The Strategic Defense Initiative, nicknamed, "Stars Wars"**. This program was to announce to the American people his vision on the nation's defense and national security

capabilities. He believed that this program was vital to the country's ability to defend itself in case of nuclear warfare against this nation's defense and national security. He believed that this program was vital to the country's ability to defend itself in case of nuclear warfare against this nation's enemies, such as the Soviet Union, He believed that, despite the hefty cost he proposed in the defense budget, this was a necessary endeavor that must be done in order to maintain peace and for defending against all potential threats and to uphold commitments to allies.

He assured the American public that the United States, **"maintained peace through strength and that weakness only invites aggression"**. He used **scare tactics** to persuade American's to agree to his line of strategy, by saying that the Soviet's had nuclear weapons that were powerful enough to destroy virtually all of the United States missiles on the ground. He warned that the Soviet's had built up a massive arsenal of new strategic nuclear weapons that had the capability of attacking the U.S. directly and that the U.S. had been lagging behind and their readiness for a sudden attack was obsolete. Reagan's main point was that he wanted to avoid **'Nuclear Armageddon'** and the annihilation of the U.S. by way of nuclear power. His plan was to have a system developed that would give the U.S. armed with space-based X-ray lasers that could detect and deflect any nuclear weapons that were headed in the direction of the United States. These **scare tactics** by the former president, that **'Nuclear Armageddon'** was at hand should they not act and prevent Russia's powerful army from destroying the U.S., will never happen. According to bible prophecy, God created this world and only God will destroy this world after all things that have been prophesied have taken place, and the saints have been taken out of this earth, unto **the Consummation of all Things! (Dan. 9:27)**. Man will never be able to use nuclear warheads to destroy this planet!!!

This program resulted in costing the American taxpayers up to thirty million dollars for the concept over the time span of 10 years. It was dismantled under the Clinton administration because the technology was not there at that time and because it was seen as "impractical, expensive and dangerous!" Under the 2016 presidential administration, the program was renewed under the name, The Iron Dome! He wanted an iron dome built over this country in order to protect the U.S. from nuclear annihilation. Despite the warning from scientist that to build such protections is unlikely due to the size of the country and the capabilities of current modern-day missiles; taxpayer's money went towards a program that served no benefits for the American people.

### THE HERITAGE FOUNDATION AND PROJECT 2025

The Heritage Foundation is an organization of ultra wealthy, conservative, Evangelical, elitist that along with Christian Nationalism view the history of the United States, and how it originated and derived as being a country that believes that God established America as superior to all other countries and no other religious belief, but Christianity is what defines a true American. They believe that this country, from its inception was and always has been a Christian nation and that the founding fathers of the U.S. Constitution always intended that this country be guided by the dictates of the tenants of God and that the merging of church and state was the original interpretation. The foundation along with Christian Nationalism sees that Christian views are needed to dictate how politics and society should cohesively join together. and is the only way to ensure that the country can re-establish a relationship with God.

The Heritage Foundation is a Think Tank, or public policy influencers. **According to Webster, a think tank brings together groups of people to gather research on various topics of interest in order to advocate for and influence policy. There scope covers a wide range of topics such as social policy, political strategy, economics, military, technology, and culture on a regional, national, and international level. Some Think Tanks are organizations that work independently of governments while there are some that are self-governing within a larger political or organizational entity. There are also Think Tanks that are associated with particular political parties, businesses, or even the military. They also can be funded by individual donations while some are funded through government grants.**

You can see from the description, The Heritage Foundation's mission has been to impact every aspect of life since the 1980's, when they first met with Ronald Reagan and every Republican president, including George H. W. Bush, George W. Bush, and Donald Trump. Since that time, the foundation attempted to persuade each Republican president to adopt a more austere political approach to governing while in the White House. Which Reagan whole heartedly accepted under the guise of **"God, country, and family!"** They each adopted the position that governments should

be more fiscal responsible, the lowering of taxes, gun rights, government conservatism, free market capitalism, free trade, deregulation of corporations and restrictions on labor unions. Their beliefs are rooted in what is good for corporations and businesses but not what is best for the American people.

The Heritage Foundation created an over **900 page manifesto** that prioritizes “**Christian values**” with government and public life, called **PROJECT 2025!** Unbeknownst to them, they are deceived by **the Two-Horned Beast. (Rev. 13:11)**. Without love for your neighbor, mercy and pity, their policies are designed to bring havoc, chaos, panic, and persecution to our lives. They are being manipulated by the knowledge of evil and also to fulfill the judgment of God. **(Rev. 17:17)**. Through their draconian policies they will deceive the nations and ‘**wear out the saints of the most high!**’ **(Dan. 7:25)**

Together with the Heritage Foundation and the presidency, they will attack abortion laws and the total disgust of sodomy as being anti-Christian. They will argue against illegal immigrants, race and the decline of the family as being anti-American and will use these issues as hooks in order to persuade the nation that in order to correct the wrongs in this country, the nation needs to adopt a Christian stance and return their lives back to serving God. Only then, will God pour blessings back on this country and again make it prosperous as they await His return to build His kingdom on earth.

The Heritage Foundation does not recognize immigrants or minorities as being legitimate citizens of this country, regardless of whether they were born here or not. They do not acknowledge the many contributions that Blacks and other immigrants have had to the advancement of the world and only see them as inferior and a burden to society.

The foundation believes that they are founded upon the principles that it is their **inherent right, birthright, and legacy** to live according to a certain lifestyle, mores, and standards. And feel that these standards should be lived out by ‘**all**’ according to their view of what is right and wrong. They feel that it is their **manifest destiny** to take hold of what they feel has been lost by allowing certain groups of people, **(white people)**, to have certain freedoms that they view as inherently theirs to obtain by God.

Though this organization is led by men, we can see the **footprint of the Two Horned Beast**. Bro. Webb’s vision about Ronald Reagan describes how the **smooth talking, lamblike words** that sound logical and reasonable to those that believe in **prosperity and power**, will come from the beast, and be imputed into a person that will be able to deceive and convince many to believe a lie.

The **Two-Horned Beast** found a man that matched perfectly with their plan to torment and terrorize the children of God. They found a man that is unscrupulous, hate filled, and what they consider to be charismatic. One that can speak as a lamb, but his actions are patterned directly as a dragon. **(Rev. 13:11)** A man that seeks power and sought to use the office of the presidency as a means of obtaining more wealth. One thing to keep in mind is that **The Two-Horned Beast** does not care who the person is that holds the office of the presidency, but according to the Heritage Foundation their main concern is that that person is a conservative and that his will is moved towards lies, hate, autonomy, and power. The man that sat in the office of the presidency, just happens to be the person that connects to all four.

Since becoming the 45<sup>th</sup> president of the United States, he has methodically chipped away the foundation of the Constitution, through lies and falsehoods and created doubt and mistrust in all bureaucratic systems. Systems that were once thought to have been solid and strong for decades, and many fundamental rights that were seen to have been made law, were dissolved, rewritten with vague and confusing wordings, illegal and or restricted. He poured doubt in the minds of the citizens of this country to believe that all of their institutions were corrupt and that they all needed to either be replaced by what he felt was what would make this country acceptable as a Christian nation, or as he puts it, what will “**Make America Great Again**”. All the while, he has no concerns about this nation becoming a Christian nation. He only uses God’s name as a means to lure and deceive the masses. He has cast doubt on the structures of government that had been in place for hundreds of years, and floated the idea, that the constitution should be rewritten to reflect the government that he saw would bring God back into this country. He promoted hate and distrust for all those that did not, in his opinion, belong in this country. Those that are not of European descent were

in his opinion seen as outsiders and are only here to bring this country down. Although he tries to convince the world that he has no connection to the Heritage Foundation, their policies parallel!!!

**PROJECT 2025 MANDATE FOR LEADERSHIP** is the policy guidelines on how they have determined how this country needs to be governed for the president. Its purpose is to reshape the federal government of the United States and to turn all power over to the executive branch of government. Meaning that the other two branches of government, the legislative and the judicial branch will be under the sole power and authority of the executive branch. This would remove all checks and balances and basically give the executive branch the power of a king. The Heritage foundation joined forces with fifty-four conservative religious institutions to form the **Christian Nationalist movement** which represents the **Evangelical Religious faction of the Protestant Church**. There are at least one hundred and forty members of Donald Trump's own staff who are directly involved with **"PROJECT 2025!"**

Bro. Webb left this warning from his treatise called, "STANDING TOGETHER FOR THE JUDGMENT DAY." Written on Oct 20, 1970: My counsel is this, "let not your ears be dull of hearing, neither your sight blind of seeing. Look high and low and all around you at ominous signs in society and the religious world and in the military world."

As stated before, the **PROJECT 2025** manifesto is over 900-pages in its entirety, this is just a short list of items comprised that they propose: Upholding funds to democratic states that do not agree to his demands. Aid will only go to states that support the president; Section Eight funding revoked.

70. Billion dollars of aids cut to foreign countries
71. Gives the president power to Enact the 1871 Insurrection Act This gives him power to use the military & the federalized National Guard against those he feels should be suppressed at his discretion.

An example of a president allowed to wield his power using the reason of what was in the best interest of the United States, was George W. Bush. While in office Bush ordered political prisoners to be tortured. The practice of water boarding prisoners of war was declared inhumane and cruel and unusual punishment. Bush justified his actions as being necessary to keep our country safe and he named his campaign, **“The War on Terror!” and the “Protect American Act.”**

Some of these proposals have already begun and we can see how the spirit of the Two-Horned Beast is rapidly deceiving the highest courts in the land as well as the people of this world. Many are eager to accept the changes that are suggested all to their own detriment. The overturning of **Roe vs Wade, on June 24, 2022**, gave women access to legally have an abortion. It has become a hot button of contention that has become so precarious that doctors are afraid to assist women that may medically have a legitimate reason for having one. Due to stringent and unmerciful laws, women are being denied treatment at the risk of the safety and health of their lives and that of the unborn. Physicians are fearful of losing their medical licenses because of reprisal from the government. Under these new rules, doctors can be fined and given jail time for assisting and aiding a woman if the courts believe that the doctor actions were deemed in violation. Despite an over fifty-year ruling, in which the Supreme Court of the United States signed into law and said that it was no need to revisit its ruling, many women have already lost their lives because of simple procedures or emergency care that would have been lifesaving. Fourteen states have banned abortions, and six states have limits on when a woman can no longer receive an abortion after six weeks. The laws are so ambiguous, confusing, and vague, that doctors want to wait until a woman may show signs of dying before they intervene. Sending this law back to the states to interpret has created undue hardships. Government intervention has taken the decision of a woman’s pregnancy out of her own hands and put it into the hands of the state. Truly these new laws will cause perplexity and persecution and much trouble on this earth. This example describes the seriousness of this hour with more troublous times to follow.

Bro. James T. Webb wrote concerning this time in a treatise called,

**“Trouble From Nature, Trouble of the Economic World, Troubles of the Religious World!**

**“There shall be great distress among the nations of the earth, (Luke 2:25). They shall be perplexed on all sides. A voice spoke to me saying, “Calamities shall come upon earth in quick succession one after the other. President Truman is a weak man. Persecution shall start in this country. You shall finish the truth in troublous times.”**

We are witnessing the beginning of this world’s troublous times, and all things thus far are just the prelude of what is to come. The proposals of the Project 2025 mandate will cause much panic and shockwaves from which the world will not recover! It will begin in the United States, as the prophecy was shown, but it will spread across the entire world, and there will be no place to hide! Distress and perplexity with agony and anguish shall befall mankind. And there shall be no let up. Peace will be a thing of the past. Since the merciless killing of George Floyd by the knee of the Minnesota police officer, many laws had been enacted. However, the banning of choke holds, no knock warrants, and improved data collection procedures will be reversed. All human rights acts will be erased from the books and bloodshed and lawlessness will run rampant.

I Peter 4:12—Beloved, think it not strange concerning the fiery trial, which is to try you, as though some strange thing happened unto you. But rejoice in as much as we are partakers of Christ’s suffering that, when his glory shall be revealed, ye may be glad also with exceeding joy.

James 5:1-6; has been activated and will target the poor and especially the saints of God. This warfare (**Eph. 6:12**); will be felt both physically as well as spiritually and is a test to determine your love, and devotion, and worthiness of Almighty God. (**Dan. 12:1,2; and Rev. 7:1-4**). All points of the Holy Testimonies of God will be our measuring stick to determine our love and faith. We must wait with patience and do unto others as unto

the Lord. Live our lives as if it were the Lord, Jesus Christ standing in front of you. **Matt. 25: 34-46.** But do not worry and do not give up! This is not a time of peace but the time of executive judgment, But **WE CAN WIN!** And **HAVE ALREADY WON!** (Rom. 11:26). **God will never leave you in this last hour!**

**In conclusion,**

**Isaiah 41:10—Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness.**

**St. John 10:28, 29—And I give them eternal life; and they shall never perish, neither shall any man pluck them out of my hand. My Father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand.**

**Hebrew 13:6—So that we may boldly say, The Lord is my helper, and I will not fear what man shall do unto me.**

**Psalms 1:2—But his delight is in the law of the Lord; and in his law doth he meditate day and night.**

**Psalms 3:2,3,6—Many there be which say of my soul, there is no help for him in God. Selah. But thou, O Lord, art a shield for me; my glory, and the lifter up of mine head. I cried unto the Lord with my voice, and he heard me out of his holy hill. Selah. I will not be afraid of ten thousands of people that have set themselves against me round about.**
