

THE LITTLE BOOK OF THE SEVEN SEALS CLASS PART 3

Scripture: Heb. 9:14

Chapter: Eccl. (apoc) 17:1-16

Memory Verse: St. John 6:63

As we continue with the **Mysteries of the First/ Four Seals**, we now notice what was said to the Prophet Zechariah: **"These are the Four Spirits of the Heavens, which go forth from Standing before the Lord of all the Earth!"** What is revealed to us is the **Spirits of Heaven**, symbolized by **Four Horses**! This is the **Power** which makes man **CLICK**! Man thinks and acts under **Spirit Power**! Every mood of him is a **Spirit Power** over him, some good and some evil, sometimes we get thoughts and feelings that we are not sure of! So, Jesus gave words to say in our prayer, **"And lead us not into temptation, but deliver us from evil."** Furthermore, Christ lets us know the **Power to Move or Quicken** man is done by the Spirit! The flesh can do nothing on its own. Now compare, **Zech. 6:1-7**; with **Rev. 6:1-9**; this is the sum of what we just read. All the conditions that enter mans heart and mind, whether good or bad, right or wrong, are influenced by one or more of these **four spirits**. Once Adam sinned, man became **infected** having to face both good and evil inside his members. The whole truth is **every mood**, someone get in, **is a spirit power** of some kind. **Example: Sorrow is a spirit power**, one speaks **the truth, lies or errors by spirit powers**. Without this spirit we wouldn't tell the truth or make errors. **Jealousy and immorality** are a **spirit power** over man. This is what makes man do things, for without **spirit power** he is dead. Yet God **gives man the Power over his spirit**. Whether good or evil. He can have his **choice**, but he must **have one**!
