MELCHISEDEC

PART 9

Scripture: Gen. 14:18-20

Chapter: Heb. 7:1-10

Memory Verse: Eph. 3:10

Already we have been blessed through the **Message of the Covenant**, preached unto us by Zerubbabel, which contained great knowledge of one of the other sons of God. The **King of Righteousness, Melchisedec**, who is also a fellow to the **Word of God**. We have knowledge of this second son of God's visitation to our world upon occasion, as it was with Abraham. Now Mother Wisdom directs our attention to Melchisedec's heavenly duty. We do understand that Melchisedec is a priest ordained to offer sacrifices. Because a priest is needed whenever the possibility of transgression is present. Having studied **The Levitical Priesthood**, which was patterned after the heavenly priesthood, we understand from our knowledge of Aaron that to offer sacrifices unto God on behalf of the saints is the job of the priest. Wisdom reminds us that she and all members of the Deity had their beginning as characteristics of the Ancient of Days and possesses all **Seven Spirits of God**. Yet each having a **Separate Issue of the Divine Character** of the Father of Spirits, which he brought forth out of his mouth as living beings: sons and daughters of God Almighty!

1. We have acquired Knowledge from our experience and being taught by the Man-Child that there are seven universes, Name the Universe where /Melchisedec is King? **Heb. 7:1,2**
2. Already we notice how Melchisedec is King and have many characteristics of the spirit power including Righteousness, What other hidden mystery did we find about Righteousness? **Wisdom of Sol. (apoc) 8:7**
Note: *Some came forth as sons and daughters, being granted the rank of Kings and Queens!*
3. What other words are spoken which is also a part of our daily life, Whereby we become blessed with a member of the Deity? **Matt. 5:6**
4. With the gift of Understanding we can compare the work of Aaron the Priest, to that offering that was made for the saints to that example shown to us in heaven, What action shows that this is Melchisedec? **Rev. 8:3-5**

Bonus Question: Give a brief recap of the members of the Deity that was revealed to us!
