

THE LITTLE BOOK OF THE SEVEN SEALS! CLASS PART 10

Scripture: Dan. 12:8,9

Chapter: 2 Esdras(apoc)15:1-14

Memory Verse: Rev. 6:17

The prophet asked **what would be the end of these wonders**. But the angel did not tell him for the **Events were Sealed up in a Little Book with Seven Seals!** Already the angel had made it clear that the **seals would be broken at the End of Time**. Now the **Little Book is opened** and we have come to the last chapter in the **Drama of Life!** At this point the **resurrection has passed and the saints are in heaven**, rejoicing with angels and viewing the glory which Christ had before the foundation of the world. **A HUSH PERIOD of SILENCE** now prevails in heaven, stopping all the music and rejoicing! It seems as though the attention of all heaven has been called to something. The Lamb of God has opened the **seventh Seal of the Little Book**. The **censer** that was used to **offer the Prayers of all Saints is cast down** to the earth. Causing **Great Thundering and earthquakes with voices being heard as the Voice of God**, walks up and down! This is the End of the 2300 years which started at the Cross of Christ. At this point we are dealing with **the start of the complete destruction of the earth and all the evil in it! Under this seal, we have fourteen plagues**. Seven trumpets and seven vials **full of the Wrath of God**. We wish it understood that we are dealing with **the Wrath of God** and these things are **not symbols, but the elements of nature being converted into destructive plagues**. Everyone is encouraged to **recall what happened in Egypt**.
