Dear friend and reader of this letter:

We would like to point out to you a startling turn of events directly effecting the Tabernacle of David church, its make-up, and the war of Rev 12th chapter that involves the church directly. First, let us note the prophecy of the Prophet Webb in his treatise, *The Antichrist Powers of the Two-horned Beast*. The prophet continues in the second paragraph sub-title: *The Principle of Hell*. It states, **“The principle one over the forces of hell is a being of evil called, the antichrist: and his spirit shall occupy the man of sin and all others like him.”** Here is where the Wisdom God did open our eyes by pointing to the revealing words of Christ in relationship to the gathering of the Tabernacle of David church as in Matt 22 v8-10. Mother Wisdom also wants us to understand that Matt 22 v8-14 is the symbolic gathering of the Tabernacle of David church, which occurred in 1973 as explained by the Prophet James T. Webb and foretold by the Prophet Amos in chapter 9 v11. Now please take note of the revealing words of the Lord in verse 10, quoting, **“Both bad and good.”** Now at this point, Mother Wisdom directs us to the vision of the Prophet Webb taken from the aforementioned treatise, the third paragraph, line 9. It states, **“In a vision I saw him, Abaddon, make up bread of outer darkness from bad and corrupted corn from his field. As he mixed his batter there was light in his place and he cut the light out and there was darkness in his house. He made bread of outer darkness, which is evil doctrine, and with this he shall deceive the world.”**

Dear reader, the Mighty Wisdom of God points out to us that this beast spirit from hell did manipulate dirty, rotten seeds of corn from his corrupted corn supply into the church. These represent people of evil nature (as seen by Bro. Webb in the previous vision) set to be utilized under the beast empire for the purpose of deceiving all to follow the will of the beast. Please note and understand, in that the dragon knew the prophecy concerning the Tabernacle of David being the first fruits of Wisdom's and Christ's plan of salvation, they (the dragon) did carefully watch over each succeeding generation and century for any sign of its emergence. When it did emerge in 1973, they watched as the Lord directed his seed to the gathering of the church. Thus, evil manipulated their seed under the symbol of dirty, rotten corn into the church gathering (Amos 9 v11; Matt 22 v8-10).] Their plan was to manipulate them into the gathering **first** and then **later** into the leadership. Then, at the appointed time, they would take over the church by implementing the bread of outer darkness into the church doctrine by way of evil policy, made up by the corrupted corn seeds. Again, these are they which the dragon manipulated into the gathering of the church under the symbols of the **“bad”** as in Matt 22 v10. These corrupted corn seeds were later manipulated into leadership roles in the church

by way of false meekness and false willingness to serve. Here is where they became “*ancient men*” as in Ezek 9 v6. Now from these positions they dictate evil policy powered by fear as in Isaiah 34 v8 and verse 11, as well as in Romans 11 v26. By fear they will dominate church thinking and life-decisions. Yet fear not! for the Lord has sent the deliverer unto the church as in Romans 11 v26, and by the spirit of the Mighty Wisdom of God, she shall finish the building of the church as in Zech 4 v6-9.

Now for the edification of the saints of God, I will share with you a night dream of mine from the 1980's, while still functioning as an elder of the church myself.

A) Night Dream

I was walking alone when a strong earthquake occurred. There was a large hole left in the ground from the earthquake. Suddenly, a gigantic reptile began to ascend from the hole in the ground. It had very large horns coming out of its head. As I stood there witnessing its ascent from hell, I braced for a confrontation, because the eyes of this enormous creature were set upon me. I backed up slowly looking for some type of rock to defend myself. A very old and wrinkled pale lady emerged from some steps leading downward. She was sweeping red dust in the air. She asked me to follow her down the steps, but I refused. I also told her that I was aware of who she was (Rev 17v 3) and that I intended to bust her head with the largest rock I could find (Matt 16 v18; Romans 9 v33).

Dear reader, here is the Two-horned Beast of Bro. Webb's prophecy. As it emerges from hell, its first confrontation will be against the Tabernacle of David Church. It will attack the doctrine of the church through its dirty, rotten corn seeds.

Now I will share with you another night dream of the 1990's:

B) Night Dream

As I sat in the congregation of the church, the head elder came forth to speak. As he began to speak, the lights got dimmer and dimmer, making visibility almost impossible. I walked to the back of the church where I found two elders of the church sitting. I asked of them what was happening to the lights and they both stated to me that the head elder was leading the church into outer darkness. I did call the head elder and told him the vision, but he dismissed it as nothing.

I now understand that the head elder was of the rotten, corn seeds being mixed in the batter of Abaddon. His purpose in the church was to bring it to this point of ungodliness as in Romans 11v26. This state of ungodliness has been present in the church for years due to the policies of the ancient men group (which he heads) and their willingness to serve the dragon, and seek self glorification. Yet God shall deliver the church from these vile, corrupted corn seeds seen in the vision of the Prophet Webb, for they are being used by the two-horned beast in an attempt to feed the Tabernacle of David Church the bread of outer darkness as in Romans 11 v26. Their “in-vain” purpose is to turn out the light of the testimony of Jesus as in Isaiah 8 v20; thus, creating policies of ungodliness and utter foolishness from which the church must and shall be delivered. Amen!

Blessed is he that is not offended in these sayings:
