GREETINGS SAINT'S

SECOND AND THIRD BEGINNING

Scripture: St. John 1:1-4

Chapter : Gen. 1:1-25

Memory Verse: Col. 1:17

In **the second beginning**, which produced the creation of the angelic fire-based kingdoms, done by Christ with Wisdom at his side, St. John speaks to the creative beginning of the fiery- based, beautiful kingdoms, that are ruled by the other sons of God: **brothers of Christ!** A kingdom created by nothing! By the power of Christ and Wisdom, that nothing became something, a fiery-based kingdom of Angels, thrones, dominions, principalities and powers filled with mansions. However; **in the creation of the third beginning**, which is this universe in which we live, Christ and Wisdom **used the left-over gases** from the second beginning. They made solid, yet transparent materials at the same time to create the firmament above our heads. He then placed the sun, moon and stars in the midst of this firmament. With this **transparent hard firmament**, he used to divide the waters from the waters. During our studies back in **the 1980's** we learned that **the earth is approximately 90 million miles from the sun**. We saw that God placed the firmament in the middle of the great deep. **Separating 90 million miles of water, underneath from 90 million miles of water on top**. Christ placed the sun, moon, and stars in the firmament. They became lights shining downward.

1. As the Lord opens our minds to understand the second beginning, we take note to the statement, **"All things were made by him."** Give a brief explanation to this statement? **St. John 1:1-3**
2. **Now with the understanding that, "All things" consist of things created before this earth.** Give an itemized account of things created in the second beginning. **Col. 1:16**
3. Looking further into the creation of angels, What proof do we have that are made from fire? **Heb. 1:7**
4. Satan, who was once the anointed cherub, had the freedom to travel these fire-based universes; What was said to him after he sinned? **Ezekiel 28: 14-16; Ref. Rev. 12:7-9**
5. We understand that the second beginning brought forth universes made from fire; What is the name of one of them and who is King over it? **Heb. 7:1,2**
